The Design School

ASU Herberger Institute for
Design and the Arts
Arizona State University

RANKINGS

**Design Intelligence, undergraduate interior design programs
#19 in the nation**

The **interior design program** at **The Design School** emphasizes collaborative and hands-on learning experiences created in the stimulating setting of a multidisciplinary school. The educational experience begins with our diverse and knowledgeable faculty. In addition, experienced local practitioners teach classes as visiting instructors, allowing the students to fully grasp the evolving and expanding nature of interior design. The program's strong curricula includes the study of history, theory communication, materials, lighting, construction methods, technology, and other topics pertinent in design industry. This top-ranking program focuses human-centered interior design while fostering innovation. Students learn integrative and sustainable methods of interior design through creative, technical, and communication skills.
