How can I study at the University of Brighton?

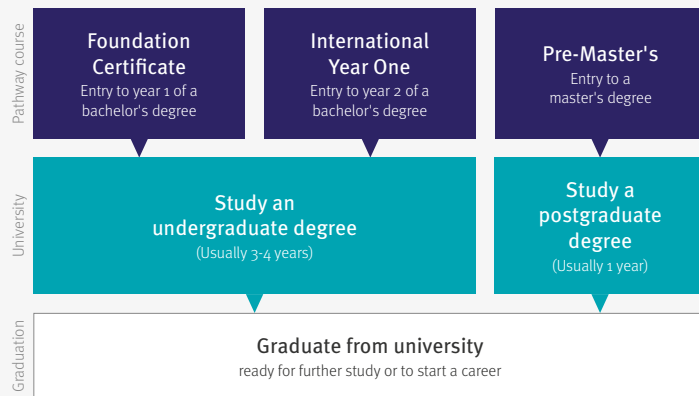

To meet entry requirements for a University of Brighton degree, you may need to take a pathway course at the University of Brighton International College. This on-campus preparation course will help you develop language and study skills, as well as key subject knowledge, and gain entry to your chosen degree.

Why choose a pathway course with Kaplan?

- You're guaranteed entry to your chosen degree when you pass your course at the International College at the required level, with good attendance
- You'll study on campus with access to university facilities
- You'll benefit from expert teaching and support services

Learn more about studying at the International College:
