with a University of
Glasgow degree

Discover Glasgow

As Scotland's largest city, Glasgow has lots going on, from food and drink festivals to a great music scene, with an average of 100 live music events per week. You can also enjoy the Kelvingrove art gallery, as well as museums, cafés and restaurants. It's a great place to experience traditional Scottish life and explore the beautiful local countryside!

How can I study at the University of Glasgow?

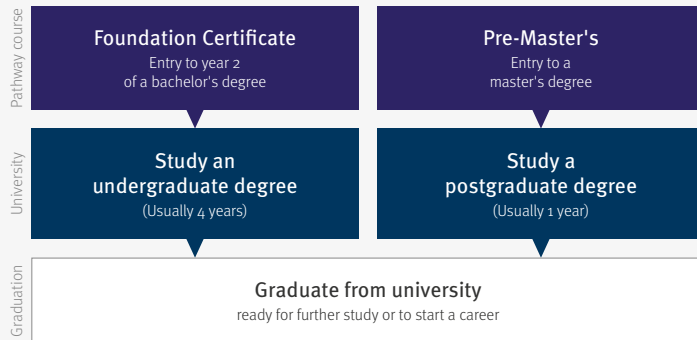

To meet entry requirements for a University of Glasgow degree, you may need to take a pathway course at Glasgow International College. This on-campus preparation course will help you develop language and study skills, as well as key subject knowledge, and gain entry to your chosen degree.

Why choose a pathway course with Kaplan?

- You're guaranteed entry to your chosen degree when you pass your course at the International College at the required level, with good attendance
- You'll study on campus and have access to university facilities
- You'll benefit from expert teaching and support services

Learn more about studying at the International College:
