How can I study at the University of Nottingham?

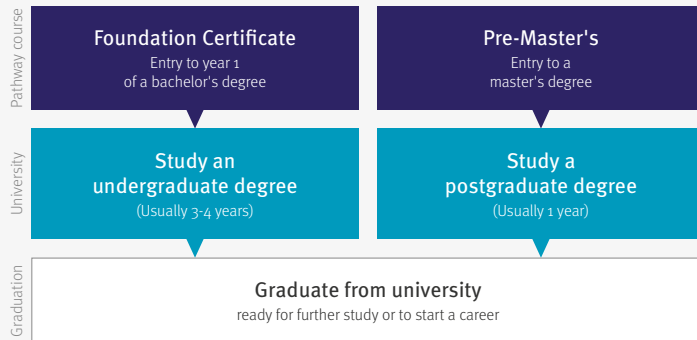

To meet University of Nottingham degree entry requirements, you may need to take a pathway course at the University of Nottingham International College. This preparation course will help you develop language and study skills, plus key subject knowledge, and gain entry to your chosen degree.

Why choose a pathway course with Kaplan?

- You're guaranteed entry to your chosen degree when you pass your course at the International College at the required level, with good attendance
- You'll study right next to campus and have full access to university facilities
- You'll benefit from expert teaching and support services

Learn more about studying at the International College:
