# Your path to a degree

To qualify for entry to a University of Nottingham bachelor's or master's degree, you can take a pathway course at its International College, right next to campus.

By studying a pathway course at the University of Nottingham International College, you can gain the academic skills, English language level and subject knowledge needed to meet entry requirements for your degree.

You'll enjoy expert teaching and support, as well as guaranteed degree entry when you pass your pathway course at the required level with good attendance – it's as simple as that!

You can take a Foundation Certificate for entry to a bachelor's degree, or a Pre-Master's for entry to master's degree. By studying here, you're on the right path to a great future.

## Explore the International College:
