Paying your deposit

A. Accessing your application dashboard and decision letter

1. Sign into your application dashboard
 - 1.1. Undergraduate: <https://admission.pace.edu/account/login>
 - 1.2. Graduate: <https://grad.pace.edu/account/login>
2. Click on “Forgot your Password”

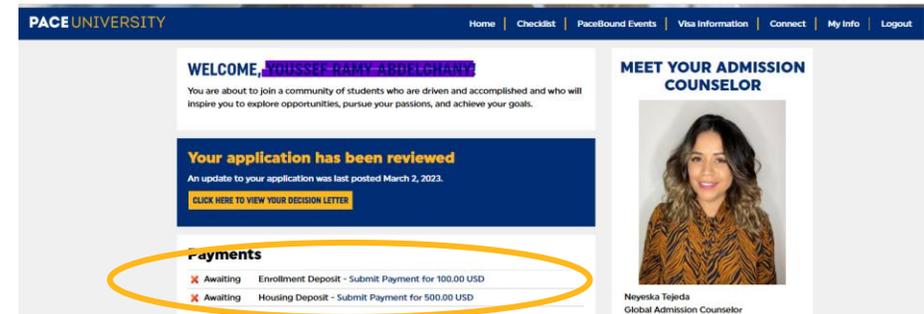

3. Use the email address supplied on your application and the date of birth on your passport.
4. Click on “Status Update” to view your decision letter.

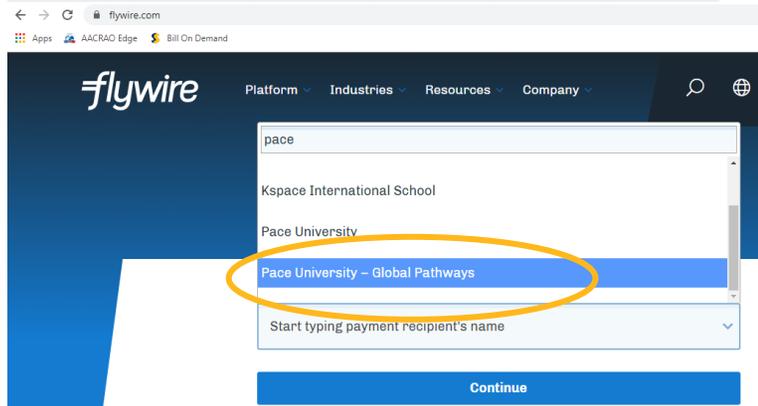

B. Direct admission deposit

1. Once you have signed in, you will see the option to pay your deposit through the portal.
2. You can choose to pay your tuition only or both tuition and housing deposit. It takes 2 days for the deposit to be received and reflect on your dashboard.
3. Below is an example of a graduate deposit of \$200; undergraduate tuition deposits are \$100.

C. Global Pathways deposit

1. You may view your decision letter on the application dashboard then pay your deposit through www.flywire.com.
2. You will need to make a \$3,000 deposit to “Pace University – Global Pathways”.

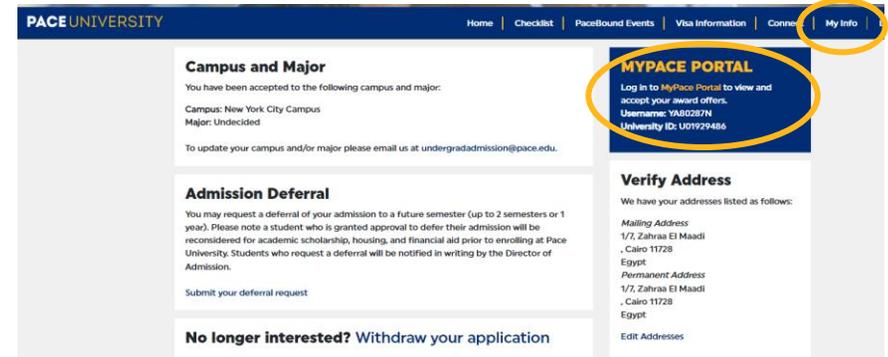

3. Once you have paid your deposit, you will receive an updated invoice reflecting your payment. Once you receive this confirmation, you will be able to continue with activating your Pace Portal.

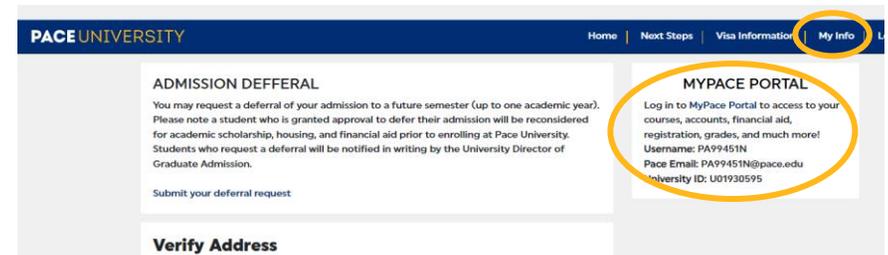

Activating your Pace Portal

D. Finding your Pace Portal username

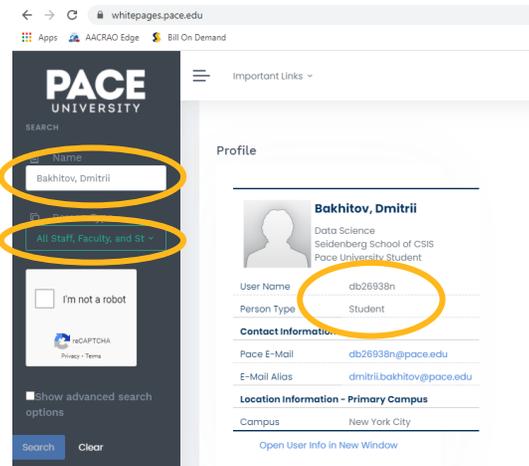

1. You can find your username in your application dashboard, under the “my info” tab.
2. Undergraduate:

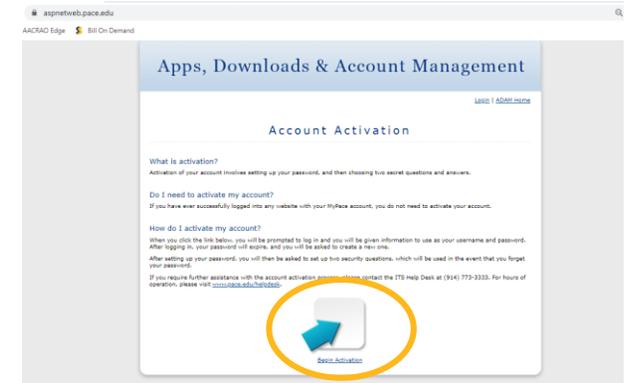

3. Graduate:

- You can also find your username here: whitepages.pace.edu

- You will be led to an instruction page, click “Begin Activation” at the bottom of the page

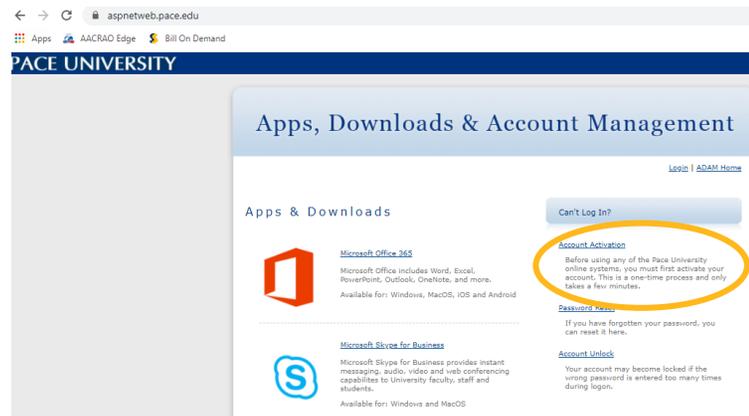

- Type your username in the username box and use the instructions below to complete your default password:
 - If you have never logged in, your password will be your initials from your first and last name (lower-case), followed by a hyphen, and then your date of birth in MM-DD-YYYY format. For example, if your name is John Smith, and you were born on January 3, 1990, your default password would be **js-01-03-1990**.
 - If the system does not accept your initial password, one possible reason is that the date of birth is not your default. In that case, try replacing the birth date portion of the initial password with your 9-character University UID to complete your initial password. You can find this in “My Info” on your application dashboard. Following the same example as above for John Smith, with sample UID: U12345678, the backup initial password would be **js-U12345678**

E. Resetting the default password

- Take your username to adam.pace.edu and click “Account Activation”

3.3. Once you have entered your username and default password, you will be asked to set three security questions and [create a new password](#). **Keep this new information somewhere safe.**

4. To access your Portal and other Pace websites, you will need to fill in your password as well as another security step through an app on your phone. You will need to follow the steps here: [Multifactor Authentication \(MFA\) through Duo](#)

Access your student email

F. Your email address and password

1. You need to activate your account first (section D and E): your Pace username and newly created password are the credentials that allow you access to all Pace resources.

MYPACE PORTAL

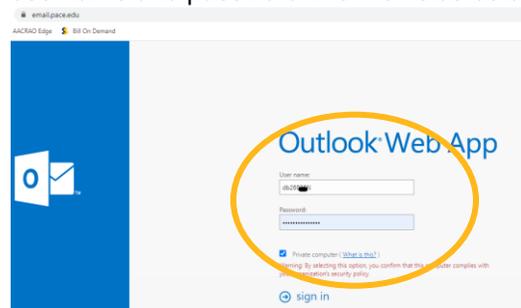

Log in to MyPace Portal to access to your courses, accounts, financial aid, registration, grades, and much more!

Username: DB26[redacted]

Pace Email: DB26[redacted]@pace.edu

University ID: U01813488

2. Go to the following webpage: email.pace.edu and put your username and password into the fields below

3. You will now be able to send and receive email through your Pace mailbox. If your credentials do not allow you to access your inbox, it could be that your deposit has not yet been processed.

4. Information on how to add your inbox to your mobile devices can be found here: [Pace Mobile Services](#)

Pre-arrival preparation

M. Orientation

- Orientation is mandatory for all students
- Global Pathways students will receive an email in **July** with orientation registration information
- Direct Undergraduate students will find this information under "PaceBound Events":

The screenshot shows the MyPace Portal interface. At the top, there is a navigation menu with 'Home', 'Checklist', 'PaceBound Events' (circled in yellow), 'Visa Information', and 'Connect'. Below the menu, the user's name 'YOUSSEF RAMY ABDELGHANY' is displayed. A message states: 'Your acceptance is just the first step on your path to success. There are some things you'll need to do to ensure you're ready for a great start for the Fall 2023 semester. To make it easy for you to keep track of your progress, we've created this checklist for you. Please be sure to check back here often as additional items will be added to the checklist as the start of the semester approaches. One more thing, it's important to note that not everything you'll need to do is on this checklist, so make sure to check your Pace email regularly. If you have any questions regarding the items below please contact your admission counselor.' Below this message is the 'Enrollment Checklist' table, which is circled in yellow. The table has three columns: Status, Details, and Date. The items listed are: 'Awaiting Submit Tuition Deposit', 'Awaiting Accept Your Pace Financial Aid', and 'Awaiting Join PaceBound Online'. To the right of the checklist is a 'MYPACE PORTAL' section with login instructions and a 'CHECKLIST RESOURCES' section with links for 'Accept Your Pace Financial Aid', 'Tuition Deposit', and 'PaceBound Online'.

- Direct Graduate students will receive an email in **July** with orientation session information.
