What is a "Go-Getter"?

Pace University students are driven. Determined. Ready to do whatever it takes to achieve their goals. They are also:

- eager for new experiences
- not afraid to dream big
- willing to work for what they want

Meet Pace Go-Getters

→ See pages 12-13 for examples of where a Pace degree can take you

“ The thing I'm most proud about as a Pace student is how I've evolved. My mindset has completely changed since I got here. I'm constantly learning, constantly exploring, constantly trying new things. Pace has been changing me for the better – now I just want to become the best version of myself. ”

GABRIEL FROM BRAZIL

Got his BBA in Finance, now a Licensed Real Estate Professional in New York City

GET TO KNOW PACE UNIVERSITY

Pace provides opportunity: to get a great education and launch your career, all while you live in New York.

Choose your New York experience

Select between two attractive campus locations to study your degree. Pace's picturesque Westchester Campus, which is only a short ride north of New York City, is surrounded by thriving technology enterprises and other multinational headquarters. While at the University's modern New York City Campus, you'll be in the heart of the Financial District, near Wall Street, as well as the world's biggest concentration of Fortune 500 companies.

AI in the undergraduate curriculum

New from Fall 2024, every first-year Pace student will have a class in Artificial Intelligence. AI is rapidly becoming a part of every industry. Whether you're studying health, business, art or technology, you need to be familiar with AI technologies to thrive in a workforce that is increasingly dependent on AI's flexibility, speed and efficiency.

Get ready for the real world

With industry experts on faculty, and plenty of internship opportunities in both Westchester and New York City, Pace provides you with the tools, guidance, and network to take you from the classroom to the real world. You'll study in New York, but with a Pace degree you can go anywhere.

Welcome to Pace

“Pace University is a global institution that is committed to offering students from around the world a strong and vibrant learning environment. I am proud to be part of a university that has dedicated itself, for more than a century, to preparing students for both professional and personal success. With the help of Kaplan International, students from more than 105 countries around the globe call Pace home. I hope you will choose Pace University as your second home, too.”

MARVIN KRISLOV
President, Pace University

GET WORK READY AT PACE UNIVERSITY

At Pace, you'll have access to industry-leading career support through real-world experiences, networking opportunities, and professional mentoring.

Exclusive career preparation for international students

Pace's innovative International Student Professional Readiness Education (INSPIRE) program will help get you career-ready and connect you with employers for internships and full-time positions. Topics range from job search strategies to interview preparation. You'll also be invited to special career panels, networking events, and in-person workshops. You'll even earn a digital certification badge for your résumé.

Big network, bigger connections

Career Services has built strong relationships with more than 1,000 companies in almost every industry. And each year, more than 300 of these employers come to Pace to recruit students. You can attend regular employer panel discussions and information sessions, and an annual career fair that Pace organizes for international students. The University's network of 160,000+ alumni around the world offers yet another avenue to connect with amazing opportunities.

Stand out from the crowd

You can attend workshops that Career Services has developed just for international students. Learn how to write a résumé that not only shows off your impressive skills, but will get it past applicant tracking systems and reviewed by real hiring directors. With expertise in your disciplinary area, your career counselor will also work with you one-on-one to develop your personal brand across your résumé, professional introduction, and online LinkedIn profile.

Learn more about Career Services at Pace:

LAUNCH YOUR CAREER IN THE NEW YORK METROPOLITAN AREA

New York offers so many opportunities. At Pace, you can gain the skills and experience you need to stand out in a competitive job market.

“ When you have a Pace degree, companies here know that you’ve studied with great professors. Pace also provides so many opportunities to meet employers face-to-face. The only thing you need to do is absorb everything that Pace offers and then work with Career Services on how to best present yourself to recruiters. ”

AAKASH FROM INDIA

Got his MBA in Financial Management, did OPT at Deloitte, now working at EY

The New York advantage

New York is where innovation, creativity, and power meet. It’s home to some of the world’s biggest companies, the two largest stock exchanges, and a diverse range of industries. In Westchester, you can discover Fortune 500 companies, start-ups, and government office and agencies. In New York City, you can explore finance at the stock exchange, engage in diplomacy at the UN, or participate in hackathons at Google. The city also employs a cosmopolitan workforce, where nearly half of all workers were born abroad. With New York as your backdrop, you can achieve anything.

Pace Path

If you study a bachelor’s degree, you and your advisor will design a customized 4-year plan called the “Pace Path.” Your plan will outline the academic, extracurricular, and career experiences that will help you to achieve your personal and professional goals.

Real-world experience during your studies

Intern for a company or organization

Complement your academic studies with hands-on learning, where you can put theory into practice. Pace students complete more than 9,000 internships and similar experiences each year, and Curricular Practical Training (CPT) provides an avenue for eligible F-1 visa international students to gain similar work experience. Through Career Services connections, you’ll have a lot of choices, from start-ups and non-profit organizations to multinational companies.

Work in the USA after your degree

Optional Practical Training (OPT)

Pace will help you navigate one of the major benefits of studying in the USA: the chance to get paid work experience related to your degree while on your student visa. OPT allows you to work anywhere in the USA for 12 months after you graduate. Students in science, technology, engineering, or mathematics (STEM) majors can extend their OPT to 36 months.

To find available STEM majors at Pace, look for the  symbol on degree lists on pages 39–45.

50+

Fortune 500 companies are based in the New York metropolitan area, including several in Westchester County

\$82,114

average full-time salary of international Pace graduates

(Class of 2022)

“ Career Services is your partner for life. We will help you to prepare for your career, connect you to employers, and support you through any professional transitions. International students face unique challenges in the US job market, especially in a competitive city like New York, so we have developed custom resources to address your specific needs. There are a lot of exciting opportunities for your future, and we’re here to provide you with the best tools for success. ”

PHYLLIS MOONEY

Executive Director of Career Services, Pace University

STUDENT EXPERIENCE

For many Pace degrees, you can choose to study in either Westchester or New York City. Both campuses offer incredible experiences for international students.

- Learn about the Westchester Campus on page 18
- Learn about the New York City Campus on page 20

Selecting one campus doesn't mean you can't experience the other. Many courses are offered in both Westchester and New York City, so you can take classes at either location. You can also elect to change campuses during your degree or after your pathway program.

NEW YORK HAS IT ALL

Fascinating history, iconic culture, food from around the world, and some of the USA's most famous landmarks.

The world in one city

More than 800 languages are spoken in New York, and people bring food, art, music, and cultural festivals to the city from so many countries. Ranked the 2nd best student city in the USA (QS Best Student Cities 2024), New York attracts first-rate students and scholars.

Capital of culture

If you love the arts and culture, you've come to the right place. New York is home to hundreds of museums and art galleries, a world-famous fashion week, an international film festival, and more theaters than any other city in the world.

Non-stop city

New York's safe, extensive, and low-cost public transport system is open all day and night, and 13,000 famous yellow taxis are widely available. When you need a break from the daily rush, the city provides over 30,000 acres of public parkland.

Endless sightseeing

New York's skyline is a favorite backdrop for TV and film, and is home to landmarks including the Empire State Building, the Brooklyn Bridge, and the Statue of Liberty.

Watch a video about student life in NYC:

→ kpln.org/study-in-new-york

THE BATTERY

A former military base and site of the world's first immigration center, this lush waterfront park now hosts outdoor concerts and festivals during warmer months

ONE WORLD TRADE CENTER

It takes only 47 seconds by elevator to reach the 102nd floor observatory, where you'll find the most spectacular views of the city

WALL STREET

Explore the center of America's finance industry, home to the New York Stock Exchange, historic Federal Hall, and the Museum of American Finance

CHINATOWN

Full of places to eat, buzzing with activity, and with an interesting history, Chinatown is in Lower Manhattan and close to Pace's New York City campus.

PACE UNIVERSITY: NYC CAMPUS

Pace has an ideal location near New York's centers of finance and government, with easy access to the rest of the city

PACE UNIVERSITY: WESTCHESTER CAMPUS

Pace's 200-acre campus in the suburbs of NYC is surrounded by beautiful scenery and has incredible internship opportunities

BROOKLYN BRIDGE

Walk across this famous landmark from Manhattan to the fashionable Dumbo neighborhood, where you can find unique restaurants and art spaces

EAST RIVER

Enjoy a scenic cruise around the island of Manhattan, or travel by ferry to destinations in Brooklyn, Queens, and Midtown

STATEN ISLAND FERRY

Boats depart every 30 minutes and offer excellent (and free!) views of the Statue of Liberty. Take the ferry to Staten Island University Hospital Community Park, overlooking the shining Lower Manhattan skyline

“Hometown Hotpot & BBQ in Chinatown is one of my favorite restaurants, and it's only a 15-minute walk from Pace!”

WILLIAM FROM VIETNAM

got his BA in Economics

WESTCHESTER CAMPUS

50+ bachelor's programs / 14 master's programs / 3,450+ students

Impressive facilities, tight-knit community

Modern residential, athletic, and academic facilities, as well as a renovated student center, provide plenty of opportunities to learn outside of class and make new friends. Gain useful skills in the cutting-edge media production studio, virtual reality (VR) lab, and simulation labs. You can also join any of the 50+ student clubs and organizations on campus and cheer on Pace's sports teams in new and expanded athletics fields and facilities.

Internship opportunities are close by

Westchester County is home to more than 34,000 companies, including Fortune 500 companies such as IBM, NBC Sports, and MasterCard, as well as FinTech firms, top hospital systems, bioscience innovators, and more. It also has a fast-growing start-up scene. Close proximity to New York City gives you even more options for internships to build career connections.

A classic campus in calm surroundings

Pace's campus in Westchester County offers a classic American-style college community in a beautiful setting. An on-campus Nature Center — home to gardens, a nature trail, and an apiary — will make you feel like you're in another world. Nearby, the village of Pleasantville has lush, green scenery, a lively arts and theater scene, and many historic sites.

Why choose this campus?

- Merit-based scholarships of up to \$35,000 a year available for bachelor's programs and \$6,000 for master's programs
- Get the classic undergraduate campus experience in a calm setting
- Enjoy lower living costs while being a 45-minute train ride away from New York City
- Study near an extensive business and technology scene with access to diverse internships
- Benefit from on-campus career fairs and exclusive career preparation for international students

Make friends easily on a smaller campus set in serene surroundings

A traditional campus with state-of-the-art facilities

“ When I first visited Pace in Westchester, I was so impressed by how big and peaceful the campus is. After I started my classes, I really enjoyed being in an environment where I was surrounded by beautiful nature. It also helped me to focus more on my studies. ”

MALIKA FROM KAZAKHSTAN

Got her MA in Media and Communication Arts
at Pace Westchester

NEW YORK CITY CAMPUS

60+ bachelor's programs / 30+ master's programs / 9,700+ students

The city is your campus

Pace's New York City Campus is welcoming and lively, so it's easy to make friends and enjoy discovering the "Big Apple" together. Hop on a subway or bus to go anywhere, from bustling tourist attractions to popular local hangouts. You can also visit One World Trade Center, just minutes from Pace, for spectacular views of the entire city.

Endless ways to get involved

There's always something interesting for you to do on campus or off. You can join any of the University's student organizations, enjoy productions from Pace's Sands College of Performing Arts, or try out for the eSports varsity program and use Pace's dedicated eSports arena. In almost any given week, you'll have many opportunities to network with employers and alumni.

Facilities that give you hands-on experience

Pace has built impressive facilities for real, hands-on learning, such as a professional-level financial trading room. Business students can use Bloomberg technology computers and view a built-in stock ticker that's only minutes behind Wall Street. If you are interested in artificial intelligence, go to Pace's Robotics Lab, where students and faculty collaborate. Pace's newest building, 15 Beekman, opened in late 2023 and features residential floors, new classrooms, and the Beekman Library.

Why choose this campus?

- Merit-based scholarships of up to \$20,000 a year available for bachelor's programs and \$6,000 for master's programs
- Study in the heart of Lower Manhattan, just steps from Wall Street
- Build professional skills with unique internship and learning opportunities
- Combine campus and city life for world-class student experiences that are especially beneficial for graduate students
- Enjoy newly renovated learning spaces

Surrounded by world-famous landmarks

Get practical experience while you study

Study in the heart of Lower Manhattan

“ So far, Pace University and New York City have given me opportunities I could never have imagined. Saying yes to new things has already led to some amazing breakthroughs in my life. ”

APPLYING WITH KAPLAN

With Kaplan, you can apply to Pace University with confidence. You'll receive dedicated support from our staff at every step, from choosing your best study option to helping you get settled in New York.

HELPING YOU APPLY

Simple application process

You don't need to pay an application fee or get external transcript evaluations when you apply to study at Pace University through Kaplan. Additionally, if you don't have an official English test score, you can take the free Kaplan Test of English exam. This specialized English test is accepted for all of Pace's pathway and degree programs.

→ See page 48 to learn more about how to apply with Kaplan.

Expert admission guidance

With Kaplan, you'll get personalized local support, often in your own language. The US university admissions process can be complex, so we're here to answer any questions you may have, and to make sure your application best reflects your unique skills and strengths. We also provide free advice on how to apply for your US student visa, and we'll remind you of important deadlines and actions.

Scholarships

We can advise on likely scholarship amounts based on your previous grades and test scores. Pace awards renewable, merit-based scholarships of up to \$35,000 off undergraduate tuition and up to \$6,000 off graduate tuition to students entering a degree directly. Scholarships are granted automatically based on your GPA in previous studies. Outstanding Global Pathways applicants may qualify for a partial tuition scholarship from Kaplan.

Raise your English proficiency

You can join the Intensive English Program at Pace University's English Language Institute in New York City to improve your English skills before a pathway program or take a short refresher before your degree program. You can also complete a course at a Kaplan International Languages (KIL) school in New York or elsewhere in the USA.

Have any questions?

Contact our team for help:

→ kaplanpathways.com/contact-pace

“When I started applying to US universities, I was confused about what I needed to do and what documents I should submit. The Kaplan team helped me a lot through the entire process; I really think it's a great channel for international students.”

JAI FROM INDIA

Applied with Kaplan for direct admission to MS Information Systems. Now a Data Analyst at Tata Consultancy Services in New York

ASSISTANCE AFTER YOU ARRIVE

From the moment you land in the USA, we are here to help.

Airport pickup

We offer a meet-and-greet service at the airport on popular arrival dates for a fee. You can relax with a safe and simple transfer by private vehicle directly to your accommodation.

Helping you get settled

In your first week, you will join an orientation program. Enjoy tours around the campus, student facilities, and the city. If you're in the Global Pathways program, we will show you how to open a bank account and offer tips on US culture. You will also learn more about your degree program and meet your teachers. Orientation is a great way to make friends with other students.

Health and wellbeing

Pace is committed to providing its students with a safe learning and living environment, and follows the best public health guidelines from federal, state, and local health officials. Students can also easily access health and wellbeing services on campus.

Comprehensive services

As an international student, you'll have access to support services to help you make the most of your time at Pace, including:

- visa information and travel advice
- academic counseling
- information about American culture
- advice on renting an apartment in New York
- career and employment guidance
- tutoring services
- updates on local attractions and events

Learn more about support at Pace:

→ kaplanpathways.com/pace-support

“ My favorite place in New York is Bryant Park because I like the view that I can see from there. It's small compared to Central Park, but I think it's one of the best places to hang out and eat something with my friends.

There are lots of buildings and stores around it, including Japanese bookstores! And it's really close to Grand Central Station. ”

Getting her BBA in Business Management
at Pace New York City Campus

GLOBAL PATHWAYS AT PACE UNIVERSITY

Through Global Pathways, we help you gain entry to Pace University. Our programs, which are taught at the New York City Campus, will give you the skills you need to qualify for a bachelor's or master's degree at Pace.

New York experience

Your classes will be taught in the heart of the city's financial center. Pace is located just minutes from Wall Street, the World Trade Center, Brooklyn Bridge, and lots of restaurants and shops. You'll also find it easy to explore other neighborhoods using the city's extensive and affordable public transport network.

An engaging campus life

You'll be a part of the Pace community as soon as you arrive on campus, with access to everything the University offers. You can use the libraries and computer facilities to study and do research, and exercise in the campus fitness facilities. You can even join clubs and student organizations to socialize with other Pace students.

Quality teaching

Extra support can help you to achieve your very best. With classes averaging just 10–20 students, you can form close connections with your instructors, who are experts in international student education. One-on-one mentoring and private tutoring will help you to build your confidence and make sure that your academic grades stay on track.

Dedicated support

Your academic program starts with an extended orientation to help you find your way around campus. You will feel fully settled in by the time your classes begin. Together with Pace's International Students and Scholars office, we can offer expert advice on course options, visas, employment regulations, and life in New York.

Guaranteed progression to Pace University when you pass your pathway program

You will also earn transferable degree credits during your pathway program, at both bachelor's and master's degree levels.

Global Pathways students progressing to a Pace University degree:

at Pace University
(pictured below right)

YOUR NEW HOME IN NEW YORK

Pace offers secure accommodations close to or on campus. The friendly and supportive environment will ensure you have the best student experience possible.

Westchester Campus residence halls

Enjoy a classic American college experience by living right in the heart of campus. Pace Westchester's residences include brand new, semi-suite style rooms, which give you easy access to study hubs, campus cafés, and social spaces, all in the same building. Year 1 undergraduate students are grouped by shared interests, and typically assigned to double occupancy rooms in the Alumni Hall residence.

Prices

Fall semester: \$6,180-\$9,555

Spring semester: \$6,180-\$9,555

Summer semester: \$4,350-\$5,300

New York City Campus residence halls

Enjoy independence and the unique experience of American dorm life. These residences are based within five blocks of the New York City Campus, so you can get involved in campus life while living right in the heart of the city. Year 1 undergraduate students are typically assigned double or triple occupancy rooms.

Prices

Fall semester: \$8,950-\$12,080

Spring semester: \$8,950-\$12,080

Summer semester: \$5,000

Scan the QR code to see the different residences available at Pace†:

→ pace.edu/housing/residence-halls

* Prices valid for 2023-24 academic year: check online for updates.

† Please note, some residences might not be available to you. Check online for more information.

Live in comfortable accommodation close to or on campus (Westchester Campus accommodation example pictured)

Example floorplan:
Beekman Residence Hall
(double room)

Relax with a movie in the TV lounges

Socialise with friends in the common areas

Residence hall features

- Bed, desk, dresser, wardrobe, and a desk chair for each resident
- Common rooms include TV lounges and study areas
- On-site laundry facilities
- WiFi in all residences
- 24-hour security
- Some residences have kitchens, a fitness center, and game rooms
- Flexible housing contracts by semester

Meal plans

First-year undergraduates and graduate students living in Pace residences must purchase a campus meal plan. The price per semester starts at \$2,250* for undergraduates and \$600* for graduates.

Private accommodations

If finding your own accommodation is a priority, local Pathways staff can provide advice and resources on the New York rental market, including recommendations on accessible and affordable neighborhoods.

Watch Pace housing videos:

→ kaplanpathways.com/pace-accommodations

WHAT CAN I STUDY AT PACE?

You can choose from many majors in your undergraduate or graduate studies, with multiple paths to a degree from Pace University.

- Learn about degree admission on page 34
- Learn about degree preparation on page 36
- See all available degrees on pages 39–45

FIND YOUR PATH TO PACE

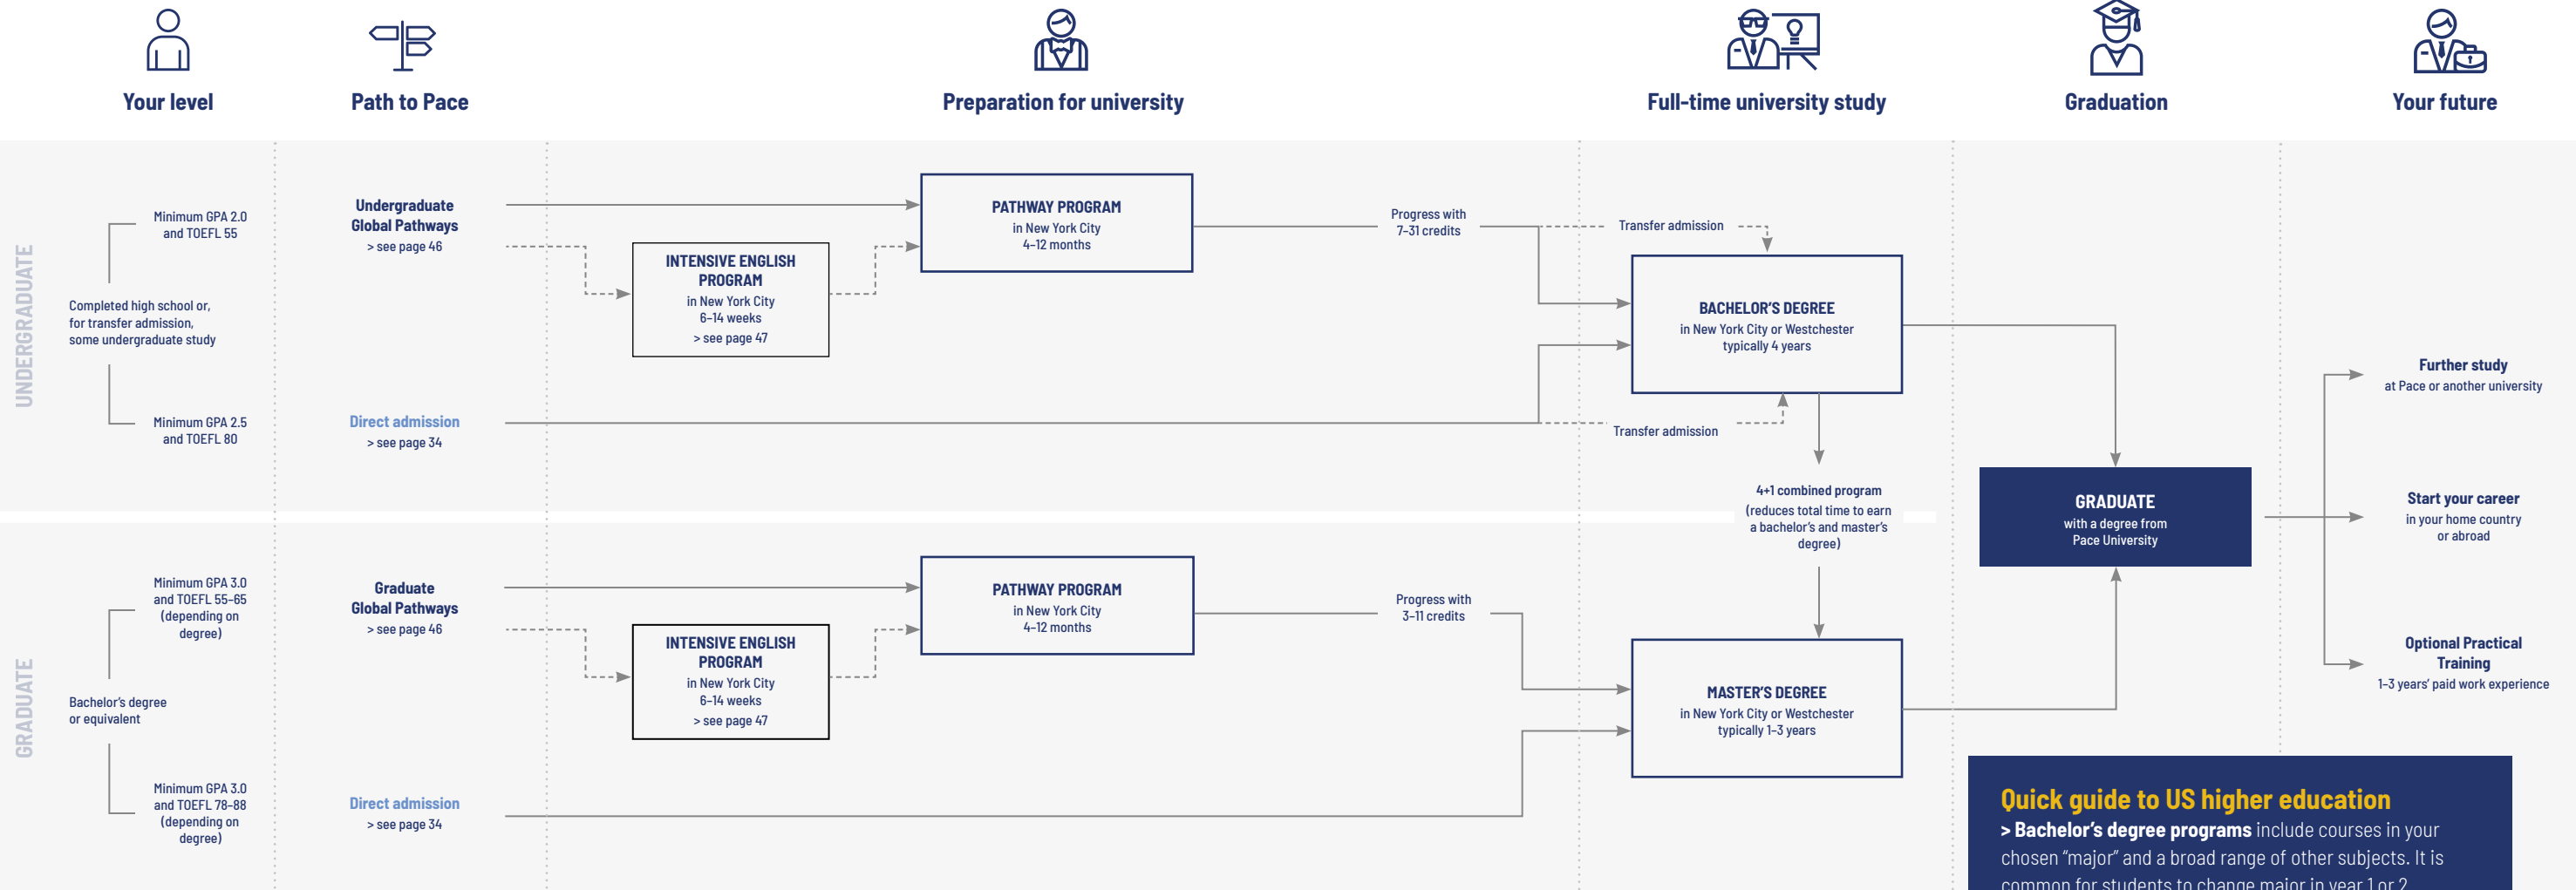

We will guide you to your best option, whether you're ready to start at Pace University immediately or you need a pathway program first.

Can I enter a degree program directly?

Yes, if you meet all the academic and English requirements, you don't need to enter a pathway program. Kaplan can help you apply for direct admission (including transfer) to selected bachelor's or master's degrees, see page 34.

Can I transfer to Pace?

Yes, if you have already begun your undergraduate education at another university. Existing credits will be evaluated for transfer into a Pace bachelor's degree program. The Global Pathways program also accepts transfer students.

What is a combined degree?

A 4+1 combined program allows you to speed up the time it takes to earn both a bachelor's and a master's degree. The + symbol indicates combined programs on pages 39-45.

What is a pathway program?

A pathway program lets you start your studies on Pace's campus while you improve your English to meet the requirement for full-time degree studies. Undergraduate students can also use a pathway program to meet the academic grade requirement. By successfully completing your pathway program, you are guaranteed a place on a full-time degree program at the University. See page 36.

Do I need Intensive English?

If you do not have the required English language level for a pathway program, you can be conditionally accepted and first join the Intensive English Program at Pace University. You can also take courses at the Kaplan International Languages school in New York or elsewhere in the USA. More on page 47.

Quick guide to US higher education

- > **Bachelor's degree programs** include courses in your chosen "major" and a broad range of other subjects. It is common for students to change major in year 1 or 2.
- > **Transfer admission** is common in the USA: many undergraduate students change university after two years to complete their degree at another institution.
- > **Master's degree programs** are advanced-level study, and they are more focused than bachelor's degrees. Master's are also known as "graduate" degrees.
- > **Optional Practical Training (OPT)** allows international students with an F-1 visa to stay in the USA and do paid work related to their degree after graduation.

DEGREE ADMISSION

If you meet all the entry requirements, including English language, you can apply for direct admission to a bachelor's or master's degree program at Pace, without a preparation program.

Undergraduate degrees at a glance:

Available disciplines: Arts and Humanities, Business, Computing, Economics, Education, Finance, Health, Mathematics, Media, Science, and Social Sciences

Study location: New York City or Westchester Campus

Degree duration: typically 4 years.

Students with existing undergraduate credits may be able to transfer into Year 2 or 3.

Tuition: \$51,382 per academic year*

English level required: minimum TOEFL 80 or equivalent

Academic requirement: high school completion with minimum GPA 2.5

→ See individual degree details on pages 39–41

Graduate degrees at a glance:

Available disciplines: Business, Computing, Economics, Finance, Health, Information Systems, Psychology, Public Administration, Science, Software Engineering, and TESOL

Study location: New York City or Westchester Campus

Degree duration: typically 12–24 months

Tuition: \$32,850–\$95,150 for full program*

English level required: minimum TOEFL 78–88 (depending on degree) or equivalent

Academic requirements: bachelor's degree with minimum GPA 3.0. Some graduate degrees have additional requirements, such as previous study in a related field or a GMAT/GRE score for some applicants.

→ See individual degree details on pages 42–45

In 2023

99%

of undergraduate international students received some form of merit-based scholarship money from Pace.

In 2022–2023,
Pace issued

\$9.3 million

in merit scholarships to graduate students.

How Kaplan supports your admission to Pace

Our team of international education experts will guide you through your application by:

- ✓ reviewing your English and academic qualifications
- ✓ preparing all documents required for application
- ✓ guiding you through the visa process
- ✓ offering first-rate advice about programs, housing, and insurance
- ✓ communicating with the University admissions team on your behalf
- ✓ advising on your eligibility for a merit-based scholarship from Pace.

Where will I learn my degree?

Many degrees are offered at both the New York City and Westchester campuses, though some are available at one campus only. See pages 39–41 (undergraduate) or 42–45 (graduate) to find out where your chosen degree program is offered.

Pace academic colleges and schools

When you enroll in a degree program at Pace, you'll join one of the University's prestigious colleges or schools:

Dyson College of Arts and Sciences

Experiential learning is at the core of 60+ programs. Economics students have won the US Federal Reserve's National College Fed Challenge more times than any other US university. 92% of bachelor's and 97% of master's graduates are employed or in further study (Class of 2022).

Lubin School of Business

AACSB International accredited in both business and accounting; an elite distinction held by fewer than 2% of business schools worldwide. 95% of bachelor's and 96% of master's graduates are employed or in further study (Class of 2022).

Seidenberg School of Computer Science and Information Systems

Home to cutting-edge research in cybersecurity, artificial intelligence and big data. 95% of bachelor's and 96% of master's graduates are employed or in further study (Class of 2022).

School of Education

Pace University is in the top 15% of best education schools in the USA (College Factual 2023). 100% of bachelor's and 98% of master's graduates are employed or in further study (Class of 2022).

College of Health Professions

Impressive on-campus healthcare simulation facilities give students hands-on learning opportunities. Alumni are in the top 3% of highest-paid Health Professions graduates in the USA.

DEGREE PREPARATION

The Global Pathways program will help you improve your English language level, academic grades, and study skills so that you can progress to a bachelor's or master's degree. You also earn credits that will transfer to your Pace degree and help you to graduate on time.

What will I study?

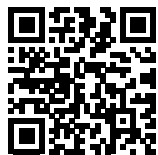

The program combines university-level English preparation with specialized academic coursework. The academic courses are credit-bearing and count toward your degree graduation requirements. In the graduate pathway, the curriculum is divided into three tracks. Your preferred degree determines your track:

- Pathways for Dyson College of Arts and Sciences / School of Education
- Pathways for Seidenberg School of Computer Science and Information Systems
- Pathways for Lubin School of Business

This program might be right for you if you want:

- ✓ to improve your fluency and confidence in spoken and academic English
- ✓ extra time and support in adjusting to American university life
- ✓ guaranteed progression to a degree on successful completion
- ✓ to earn academic credits before starting full-time degree study (students completing the 3-semester undergraduate program with maximum transfer credits will progress into bachelor's Year 2)
- ✓ to enjoy social activities organized for international students.

Have any questions?

Contact our team for help:

→ kaplanpathways.com/contact-pace

Global Pathways programs at a glance:

Study location: New York City. Depending on degree, progress to New York City or Westchester Campus.

Program duration: depending on your English language level, you will study for 1, 2, or 3 semesters (4, 8, or 12 months) before progressing to your degree.

Tuition: \$11,500-\$39,000*

Potential transferable credits:

7-31 in undergraduate program;
3-11 in graduate program.

Academic requirement:

Undergraduate program: high school completion with a minimum GPA 2.0. Students with previous undergraduate coursework can also apply for transfer admission.

Graduate program: bachelor's degree with minimum GPA 3.0.

English level required:

Undergraduate program: TOEFL 55-79 or equivalent

Graduate program: minimum TOEFL 55-65 (depending on degree) or equivalent.

If your English level is lower, you can first join Pace's Intensive English Program.

* Prices are for the 2024-25 academic year: check online for updates.

DEGREE SPOTLIGHTS

A degree from Pace can take you anywhere – here are just a few study options.

▶▶ Spotlight on: BS in Game Development that will press "start" on your career

Take your education to the next level by learning how to build games with this STEM-designated program, which allows you to combine the art of storytelling with computer science, art and design skills. Focusing heavily on projects, you'll be able to take what you learn and apply it to practical work, helping you to build a portfolio before you graduate and go for a career in the world of gaming. Your job options could include AI Programmer, Game Designer, Mobile Developer, Gameplay Programmer and more!

See page 39 for admission details.
→ kaplanpathways.com/pace-degrees

N or W

▶▶ Spotlight on: BS in Health Science with hands-on field experience

With a focus on global, community and population healthcare, this BS in Health Science will prepare you for multiple careers in health care administrative fields or for master's level healthcare practitioner programs. Offering three tracks of study – generalist, pre-nursing, and pre-physician assistant – you will look at areas including Global Health and / or Health Policy and Advocacy. All students participate in a field experience, such as an internship at an area healthcare facility.

See page 39 for admission details.
→ kaplanpathways.com/pace-degrees

N or W

▶▶ Spotlight on: New York's fast-paced MBA

Pace has redesigned its flagship MBA in New York City to better meet the demands of the 21st century. The revamped programs require fewer credits, and most specializations can be completed in 18 months, allowing you to save time and money. You can still take full advantage of the wide range of opportunities, events and connections in New York. Choose from 10 specializations, including 3 STEM-designated options that combine analytics or IT systems with critical business competencies.

See the MBA flyer for more details.
→ kaplanpathways.com/pace-mba

N

▶▶ Spotlight on: MPA that makes a difference

For over 40 years, Pace's Master of Public Administration has prepared students to become value-driven public service leaders, managers, and analysts. Accredited by the Network of Schools of Public Policy, Affairs, and Administration (NASPAA), the program can be completed in 24 months. MPA professors are active leaders with strong connections in government agencies, healthcare institutions, and national and international nonprofit organizations. About 14% of MPA students are international.

See pages 44–45 for admission details.

* Rates are for the 2024–25 academic year and are likely to increase slightly each year. For visa purposes, students must show the availability of sufficient funds to cover one year of study. Estimated total expense is the combined cost of program tuition for two semesters, standard institution fees, health insurance, books and supplies, personal expenses, housing and meal plan.

† You may instead meet English proficiency requirements by submitting any of the following:

– Proof of Citizenship and secondary school graduation from Antigua, Australia, Bahamas, Barbuda, Belize, Bermuda, Botswana, British Virgin Islands, Cameroon, Cayman Islands, Canada, Christmas Island, Cocos, Cooks Islands, Dominica, Fiji, Ghana, Grenada, Grenadines, Guam, Guyana, Ireland, Jamaica, Keeling Island, Kiribati, Lesotho, Liberia, Marshall Islands, Mauritius, Micronesia, Montserrat, N. Marianas, Nevis, New Zealand, Nigeria, Norfolk Island, Papua New Guinea, Sierra Leone, South Africa, St. Christopher, St. Helena, St. Kitts, St. Lucia, St. Vincent, Swaziland, Tanzania, Trinidad and Tobago, Uganda, United Kingdom, American Virgin Islands, Zambia.

– Qualifying SAT or ACT score.

– IB English A1/A2 or B1/B2 result or AP English exam with a score of 4 or above.

‡ Students with existing undergraduate credit from another university can apply for transfer admission.

Your transcript is assessed to determine how many credits are transferrable into a Pace degree (either after Global Pathways or when entering directly).

A maximum of 96 credits can transfer from 4-year institutions, or 68 credits from 2-year institutions.

* Where a credit range is shown, the program includes some foundation courses that can be waived. Students who have an undergraduate business background may already fulfill foundation requirements and therefore need a lower number of credits to graduate. This means the degree can be completed quicker, reducing tuition and living costs.

† Citizens from the following countries are waived from the English test requirement: Antigua, Australia, Bahamas, Barbuda, Belize, Bermuda, Botswana, British Virgin Islands, Cameroon, Cayman Islands, Canada, Christmas Island, Cocos, Cooks Islands, Dominica, Fiji, Ghana, Grenada, Grenadines, Guam, Guyana, Ireland, Jamaica, Keeling Island, Kiribati, Lesotho, Liberia,

Marshall Islands, Mauritius, Micronesia, Montserrat, N. Marianas, Nevis, New Zealand, Nigeria, Norfolk Island, Papua New Guinea, Sierra Leone, South Africa, St. Christopher, St. Helena, St. Kitts, St. Lucia, St. Vincent, Swaziland, Tanzania, Trinidad and Tobago, Uganda, United Kingdom, American Virgin Islands, Zambia.

‡ 3-year degree holders from India who studied at a NAAC-accredited institution rated B or below must submit a qualifying GMAT/GRE score.

§ Available for September intake only.

PREPARATION PROGRAMS

All programs

Start: August, January, May (see calendar for exact dates)

Campus: New York City

Cost: rates are for the 2024–25 academic year; check online for updates.

English test score: must be dated within two years before the start of classes.

Estimated total expense: for visa purposes, students must show the availability of sufficient funds to cover one year of study: the combined cost of program tuition, standard institution fees, health insurance, books and supplies, personal expenses, housing and meal plan.

Intensive English Program: quick facts

Who is it for? Undergraduate and graduate applicants with English levels below the 3-semester Global Pathways requirement

Duration and hours: 6, 7, 12 or 14 weeks. Students take 18 hours of classes each week.

Tuition in 2024–25: \$2,470 (6 weeks), \$2,840 (7 weeks), \$4,713 (12 weeks), \$5,416 (14 weeks)

6-week program starts: May, July

7-week program starts: September, October, January, April

12-week program starts: May

14-week program starts: September, January

1: You must earn a C grade or above and demonstrate sufficient English language development in an academic course to be able to transfer the credits to a degree.

2: Testing into advanced level writing composition courses and studying elective courses will give you the opportunity to earn the maximum number of academic credits during Global Pathways.

3: Previous study requirements and GRE/GMAT requirements are the same as for direct admission – see pages 42–45.

→ See available undergraduate degree programs on pages 39–41

→ See available graduate degree programs on pages 42–45

HOW TO APPLY

Want to be a Pace University Go-Getter?

Kaplan's global team of multilingual advisors will help you through the application process, offering expert support at every stage.

Fill in the application form online

→ kaplanpathways.com/apply-pace

Initial review of your application

When we receive your signed application form and supporting documents, we carefully review them and advise if you need to send more information.

Submission to Pace

Once complete, we submit your application to the University for an admission decision.

→ See page 50 for more information on what to do next.

APPLICATION CHECKLIST

A complete application to Pace includes:

All applicants

- application form completed and signed
- proof of English language proficiency
- official transcripts for all high school and post-high school institutions attended*
- recent bank statement or scholarship letter showing no less than the minimum funds required†
- passport copy (including visa if you are already in the USA)

Bachelor's degree applicants

- SAT or ACT score (optional)
- minimum 500-word personal statement answering:
Why you want to study at Pace; why you chose your major; your future plans; what makes you stand out
- 2 reference letters from professors/instructors or employers
- CV/résumé (optional)

Undergraduate Global Pathways program

- Same as bachelor's applicants but only 1 reference letter

Master's degree applicants

- GMAT or GRE score (if required)
- minimum 500-word personal statement answering:
Why you are applying to your chosen program; your expectations, outcomes, and goals; your professional/academic experiences and accomplishments related to the program subject.
- 2 reference letters from professors/instructors or employers
- CV/résumé listing work/school history, languages, awards, certificates, volunteer work, and accomplishments

Graduate Global Pathways program

- Same as master's applicants but only 1 reference letter (or 2 letters for progression to Dyson School of Arts and Sciences/School of Education)

* with supporting grade scale, translated into English if necessary

† See Pace's Financial Affidavit form (search "affidavit" at kaplanpathways.com/download)

ADMISSION: NEXT STEPS

This brochure has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publishing, but changes (for example to program content) are likely to occur given the interval between publishing and commencement of the program. It is therefore very important to check the website or contact us for any updates before you apply. Once you have applied, any change which impacts the terms and conditions of your offer or a significant part of your program will be communicated to you.

Published by Kaplan International, May 2024 v05.
