# GET TO KNOW PACE UNIVERSITY

Pace provides opportunity: to get a great education and launch your career, all in one of the world's greatest cities.

## Choose your New York experience

Select between two attractive campus locations to study your degree. At Pace's modern New York City Campus, you'll be in the heart of the Financial District, near Wall Street as well as the world's biggest concentration of Fortune 500 companies. A short ride north of the city, the University's picturesque Westchester Campus is surrounded by thriving technology enterprises and other multinational headquarters.

## New places to connect and create

Pace has transformed both of its campuses, with incredible new spaces designed for you to live, learn, and collaborate with your classmates. You'll also have access to state-of-the-art laboratories, simulation rooms, a professional-level financial trading room, and media production studios.

## Get ready for the real world

With industry experts on faculty and one of the largest internship programs in the New York metro area, Pace provides you with the tools, guidance, and network to take you from the classroom to the real world. You'll study in New York, but with a Pace degree you can go anywhere.

# GET WORK READY AT PACE UNIVERSITY

At Pace, you'll have access to industry-leading career support through real-world experiences, networking opportunities, and professional mentoring.

## Customized international student preparation

Pace's innovative International Student Professional Readiness Education program (INSPIRE) will help get you career-ready and connect you with employers for internships and full-time positions. Topics range from job search strategies to interview preparation. You'll also be invited to special career panels, networking events, and in-person workshops.

## Big city, bigger connections

Career Services has built strong relationships with more than 1,000 companies in almost every industry. And each year, more than 300 of these employers come to Pace to recruit students. You can attend regular employer panel discussions and information sessions, and an annual career fair that Pace organizes for international students. The University's network of 160,000+ alumni around the world offers yet another avenue to connect with amazing opportunities.

## Stand out from the crowd

You can attend workshops that Career Services has developed just for international students. Learn how to write a résumé that not only shows off your impressive skills, but will get past applicant tracking systems and reviewed by real hiring directors. With expertise in your disciplinary area, your career counselor will also work with you one-on-one to develop your personal brand across your résumé, professional introduction, and online LinkedIn profile.

# LAUNCH YOUR CAREER IN NEW YORK CITY

New York offers so many opportunities. At Pace, you can gain the skills and experience you need to stand out in a competitive job market.

## Real-world experience during your studies

### Intern for a company or organization

Complement your academic studies with hands-on learning, where you can put theory into practice. Pace students complete more than 8,900 internships and similar experiences each year, and Curricular Practical Training (CPT) provides an avenue for eligible F-1 visa international students to gain similar work experience. Through Career Services connections, you'll have a lot of choices, from start-ups and non-profit organizations to multinational companies.

## Work in the USA after your degree

### Optional Practical Training (OPT)

Pace will help you navigate one of the major benefits of studying in the USA: the chance to get paid work experience related to your degree while on your student visa. OPT allows you to work anywhere in the USA for 12 months after you graduate. Students in science, technology, engineering, or mathematics (STEM) majors can extend their OPT to 36 months.

To find available STEM majors at Pace, look for the '🔗' symbol on degree lists.

50+

Fortune 500  
companies are based  
in the New York  
metropolitan area

## The New York advantage

New York is where innovation, creativity, and power meet. It's home to some of the world's biggest companies, the two largest stock exchanges, and a diverse range of industries. The city also employs a cosmopolitan workforce, where nearly half of all workers were born abroad. With the Big Apple as your backdrop, you can achieve anything. Explore finance at the stock exchange, engage in diplomacy at the UN, or participate in hackathons at Google. You'll find endless options every time you step out the door.

## Pace Path

If you study a bachelor's degree, you and your advisor will design a customized 4-year plan. Called the "Pace Path," it will outline the academic, extracurricular, and career experiences that will help you to achieve your personal and professional goals.

“When you have a Pace degree, companies here know that you've studied with great professors. Pace also provides so many opportunities to meet employers face-to-face. The only thing you need to do is absorb everything that Pace offers and then work with Career Services on how to best present yourself to recruiters.”

# STUDENT EXPERIENCE

For many Pace degrees, you can choose to study in either New York City or Westchester. Both campuses offer incredible experiences for international students.

- [Learn about the New York City Campus on page 18](#)
- [Learn about the Westchester Campus on page 20](#)

Selecting one campus doesn't mean you can't experience the other. Many courses are offered in both New York City and Westchester, so you can take classes at either of the locations. You can also elect to change campuses during your degree or after your pathway program.

# NEW YORK CITY HAS IT ALL

Fascinating history, iconic culture, food from around the world, and some of the USA's most famous landmarks.

## The world in one city

People in New York speak more than 800 languages, and bring food, art, music, and cultural festivals from so many countries. Ranked the 2nd best student city in the USA (QS Best Student Cities 2022), New York attracts first-rate students and scholars.

## Capital of culture

If you love arts and culture, you've come to the right place. New York is home to hundreds of museums and art galleries, a world-famous fashion week, an international film festival, and more theaters than any other city in the world.

## Non-stop city

New York's safe, extensive, and low-cost public transport system is open all day and night, and 13,000 famous yellow taxis are widely available. When you need a break from the daily rush, the city provides over 30,000 acres of public parkland.

## Endless sightseeing

New York's skyline is a favorite backdrop for TV and film, and is home to iconic landmarks including the Empire State Building, the Brooklyn Bridge, and the Statue of Liberty.

### THE BATTERY

A former military base and site of the world's first immigration center, this lush waterfront park now hosts outdoor concerts and festivals during warmer months

### ONE WORLD TRADE CENTER

It takes only 47 seconds by elevator to reach the 102nd floor observatory, where you'll find the most spectacular view of the city

### WALL STREET

Explore the center of America's finance industry, home to the New York Stock Exchange, historic Federal Hall, and the Museum of American Finance

### PACE UNIVERSITY: NYC CAMPUS

Pace has an ideal location near New York's centers of finance and government, with easy access to the rest of the city

### PACE UNIVERSITY: WESTCHESTER CAMPUS

Pace's 200-acre campus in the suburbs of NYC is surrounded by beautiful scenery and has incredible internship opportunities

### BROOKLYN BRIDGE

Walk across this famous landmark from Manhattan to the fashionable Dumbo neighborhood, where you can find unique restaurants and art spaces

### SOUTH STREET SEAPORT

Some of the city's oldest architecture is here, combined with the newest shops and restaurants, and a luxury cinema showing the latest Hollywood movies

### EAST RIVER

Enjoy a scenic cruise around the island of Manhattan, or commute by ferry to destinations in Brooklyn, Queens, and Midtown

### STATEN ISLAND FERRY

Boats depart every 30 minutes and offer excellent (and free!) views of the Statue of Liberty. Take the ferry to Staten Island Yankees baseball field, overlooking the shining Lower Manhattan skyline.

# NEW YORK CITY CAMPUS

## The city is your campus

Pace's New York City Campus is welcoming and enthusiastic, so it's easy to make friends and enjoy discovering the "Big Apple" together. Hop on a subway or bus to go anywhere, from bustling tourist attractions to popular local hangouts. You can also visit One World Trade Center, just minutes from Pace, for spectacular views of the entire city.

## Endless ways to get involved

There's always something interesting for you to do on campus or off. You can join any of the University's student organizations, experience productions by Pace's world-class Actor's Studio, and view exhibitions at the brand-new art gallery. In almost any given week, you'll have many opportunities to network with employers and alumni.

## Facilities catered to your learning

Pace has built impressive facilities for real, hands-on learning. Business students can use Bloomberg technology computers and view a built-in stock ticker that's only minutes behind Wall Street. If you are interested in artificial intelligence, go to Pace's Robotics Lab, where students and faculty collaborate. The University's award-winning \$200 million campus renovation also transformed many classrooms into state-of-the-art active learning spaces.

# WESTCHESTER CAMPUS

## Open spaces, amazing places

Pace's campus in Westchester County offers a traditional American-style college community in a beautiful setting. An on-campus Nature Center – home to gardens, a nature trail, and an apiary – will make you feel like you're in another world. Nearby, the village of Pleasantville has lush, green scenery, a lively arts and theater scene, and many historic sites.

## Opportunity is close by

Westchester County is home to more than 170 companies, including Fortune 500 companies such as IBM, NBC Sports, and MasterCard, as well as FinTech firms, top hospital systems, bioscience innovators, and more. It also has a fast-growing start-up scene. Close proximity to New York City gives you even more options to do internships and build career connections.

## Impressive facilities, tight-knit community

Brand-new residential, athletic, and academic facilities, as well as a renovated student center, provide plenty of opportunities to learn outside of class and make new friends. Gain useful skills in the cutting-edge media production studio, virtual reality (VR), and simulation labs. You can also join any of the 60+ student clubs and organizations on campus and cheer on Pace's sports teams in new and expanded athletic fields and facilities.

# APPLYING WITH KAPLAN

With Kaplan, you can apply to Pace University with confidence. You'll receive dedicated support from our staff at every step, from choosing your best study option to helping you get settled in New York.

## HELPING YOU APPLY

### Simple application process

You don't need to pay an application fee or get external transcript evaluations when you apply to study at Pace University through Kaplan. Additionally, if you don't have an official English test score, you can take the free Kaplan International Tools for English exam. This specialized English test is accepted for all of Pace's pathway programs and degrees.

→ See page 56 to learn more about how to apply with Kaplan.

### Expert admission guidance

With Kaplan, you'll get personalized local support, often in your own language. The US university admissions process can be complex, so we're here to answer any questions you may have, and to make sure your application best reflects your unique skills and strengths. We also provide free advice on how to apply for your US student visa, and will remind you of important deadlines and actions.

### Scholarships

We can advise on likely scholarships based on your previous grades and test scores. Pace awards renewable, merit-based scholarships of up to \$31,000 off undergraduate tuition and up to \$7,380 off graduate tuition to students entering a degree directly. They are granted automatically based on your GPA in previous studies. Outstanding Global Pathways applicants may qualify for a partial tuition scholarship from Kaplan.

### Raise your English proficiency

You can join the Intensive English Program at Pace University's English Language Institute in New York City to improve your English skills before a pathway program or take a short refresher before your degree. You can also complete a course at a Kaplan International Languages (KIL) school in New York or elsewhere in the USA.

# ASSISTANCE AFTER YOU ARRIVE

From the moment you land in the USA, we are here to help.

## Airport pickup

We offer a meet-and-greet service at the airport on popular arrival dates for a fee. You can relax with a safe and simple transfer directly to your accommodation by private vehicle.

## Helping you get settled

In your first week, you will join an orientation program. Enjoy tours around the campus, student facilities, and the city. If you're in the Global Pathways program, we will show you how to open a bank account and offer tips on US culture. You will also learn more about your program of study and meet your teachers. Orientation is a great way to make friends with other students.

## Health and wellbeing

Pace is committed to providing its students with a safe learning and living environment, and takes into account the best public health guidelines from federal, state, and local health officials. Students can also easily access health and wellbeing services on campus.

## Comprehensive services

As an international student, you'll have access to support services to help you make the most of your time at Pace, including:

- visa information and travel advice
- academic counseling
- information about American culture
- advice on renting an apartment in New York
- career and employment guidance
- tutoring services
- updates on local attractions and events

# INTERNATIONAL PATHWAYS AT PACE UNIVERSITY

Through Global Pathways, we help you gain entry to Pace University. Our programs, taught at the New York City Campus, will give you the skills you need to qualify for a bachelor's or master's degree at Pace.

## New York experience

Your classes will be taught in the heart of the city's financial center. Pace is located just minutes from Wall Street, the World Trade Center, Brooklyn Bridge, and lots of restaurants and shops. You'll also find it easy to explore other neighborhoods using the city's extensive and affordable public transport network.

## Engaging campus life

You'll be a part of the Pace community as soon as you arrive on campus, with access to everything the University offers. You can use the libraries and computer facilities to study and do research, and exercise in the campus fitness facilities. You can even join clubs and student organizations to socialize with other Pace students.

## Quality teaching

Extra support can help you to achieve your very best. With classes averaging just 10–20 students, you can form close connections with your instructors, who are experts in international student education. One-on-one mentoring and private tutoring will help you to build your confidence and ensure that your academic grades stay on track.

## Dedicated support

Your academic program starts with an extended orientation to help you find your way around campus. You will feel fully settled in by the time your classes begin. Together with Pace's International Students and Scholars office, we can offer expert advice on course options, visas, employment regulations, and life in New York.

## Guaranteed progression to Pace University when you pass your pathway program

You will also earn transferable degree credits during your pathway program, at both bachelor's and master's degree levels.

# WHAT CAN I STUDY AT PACE?

You can choose from many majors in your undergraduate or graduate studies, with multiple paths to a degree at Pace University.

- See all available degrees on pages 36–39
- Learn about direct degree admission on page 40
- Learn about pathways to a Pace degree on page 42

# FIND YOUR PATH TO PACE

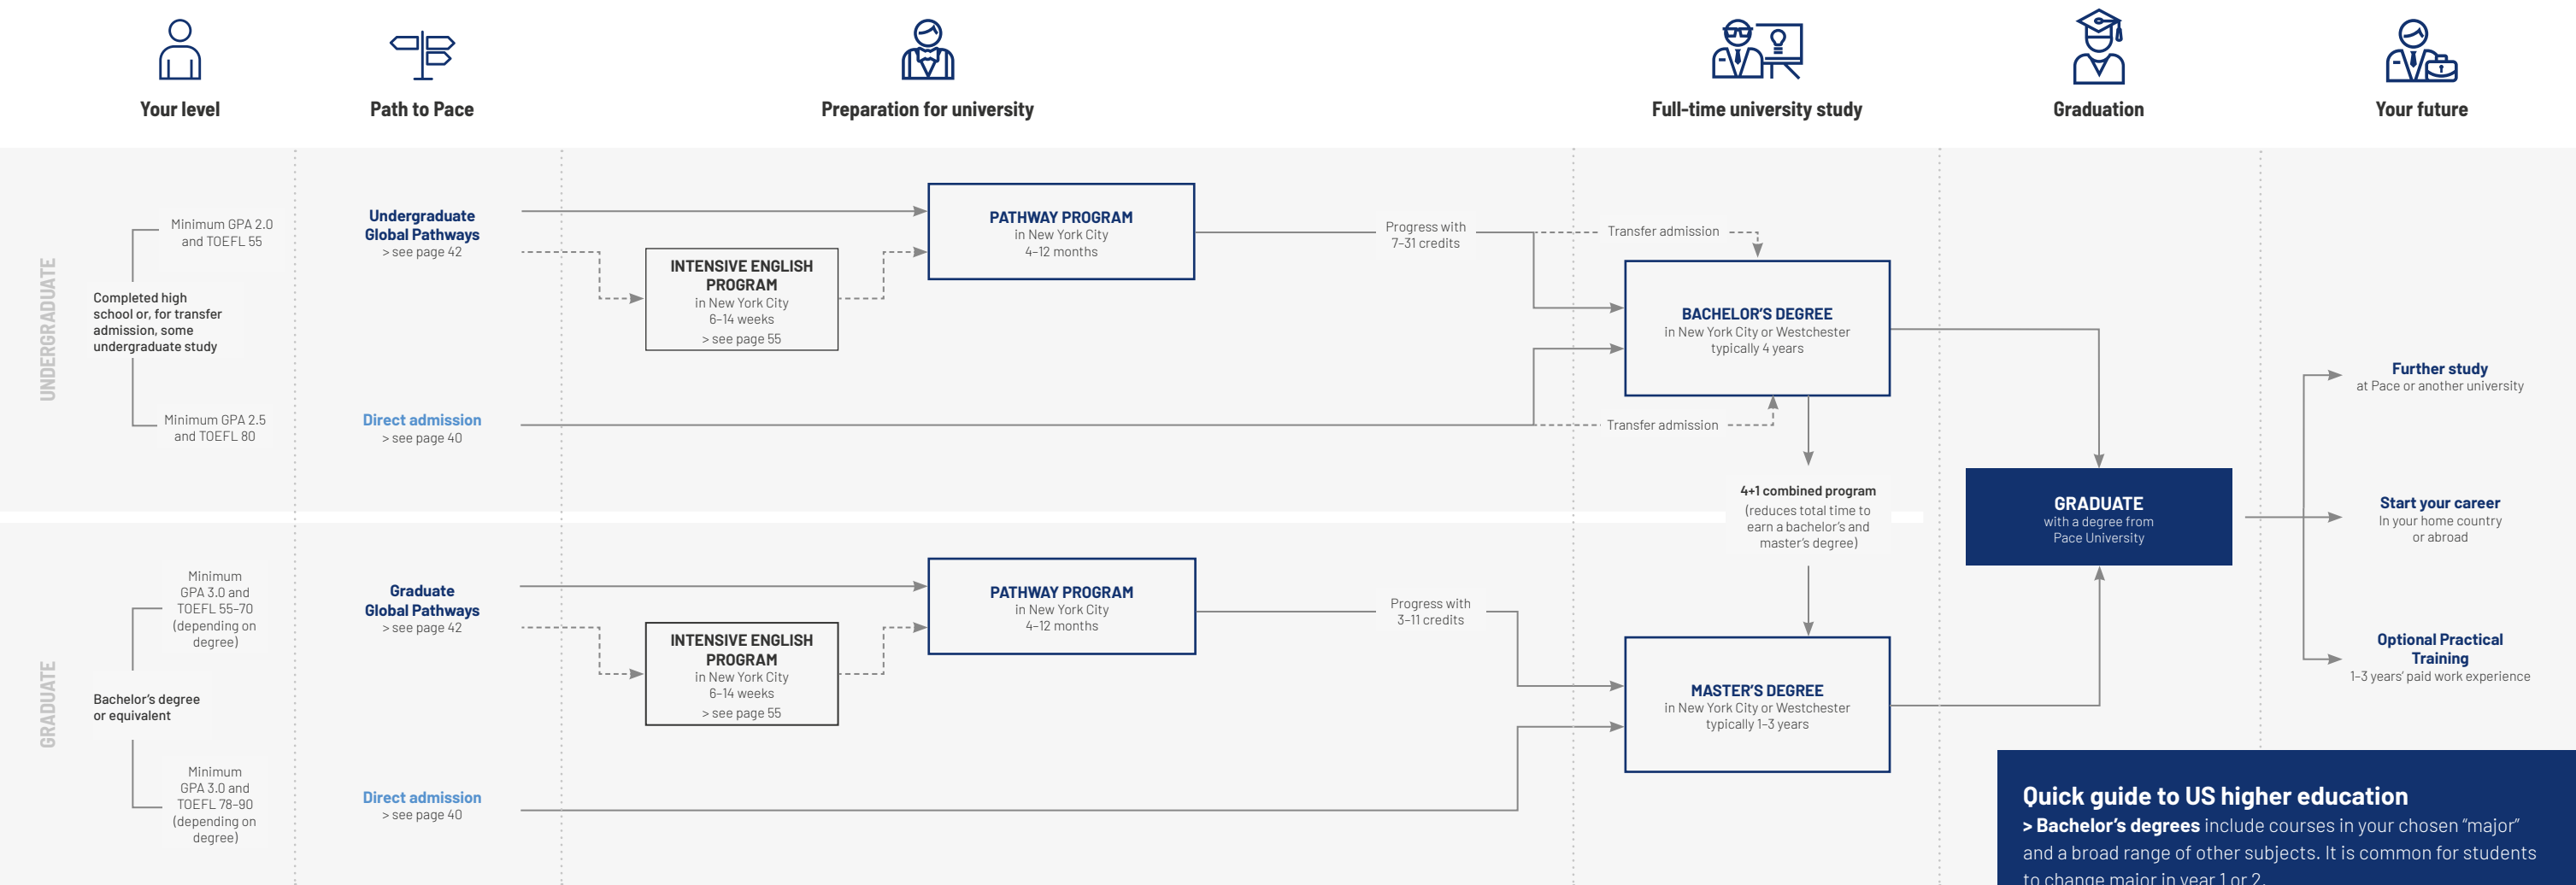

We will guide you to your best option, whether you're ready to start at Pace University immediately, or you need a pathway program first.

## Can I enter a degree directly?

Yes, if you meet all the academic and English requirements, you don't need to study a pathway program. Kaplan can help you apply for direct admission (including transfer) to selected bachelor's or master's degrees.

## Can I transfer to Pace?

Yes, if you have already begun your undergraduate education at another college. Existing credits will be evaluated for transfer into a Pace bachelor's degree. The Global Pathways program also accepts transfer students.

## What is a pathway program?

A pathway program lets you start your studies on Pace's campus, while you improve your English to meet the requirement for full-time degree studies. Undergraduate students can also use a pathway program to meet the academic grade requirement.

You will take a combination of university-level English language classes and credit-bearing academic courses. By successfully completing your pathway program, you are guaranteed a place in a full-time degree at the University, with no extra required tests or other qualifiers.

## Do I need Intensive English?

If you do not have the required English language level for a pathway program, you can be conditionally accepted and first join the Intensive English Program at Pace University. You can also take courses at Kaplan International Languages school in New York or elsewhere in the USA.

## Quick guide to US higher education

- > **Bachelor's degrees** include courses in your chosen "major" and a broad range of other subjects. It is common for students to change major in year 1 or 2.
- > **Transfer admission** is common in the USA: many undergraduate students change university after two years to complete their degree at another institution.
- > **Master's degrees** are advanced-level study, and are more focused than bachelor's degrees. Master's are also known as "graduate" degrees.
- > **Optional Practical Training (OPT)** allows international students with an F-1 visa to stay in the USA and do paid work related to their degree after graduation.

# CHOOSE YOUR DEGREE

When you enroll in a degree at Pace, you'll join one of the University's prestigious colleges or schools focused on the discipline you are studying.

Most degrees can be accessed directly or through a pathway program, but some degrees are only available for direct admission (as shown).

- G** Graduate Global Pathways program (page 42)

**Study and work experience:**

**Where will I study my degree?**

Many degrees are offered at both the New York City and Westchester campuses, though some are available at one campus only. See pages 46–48 (undergraduate) or 50–53 (graduate) to find out where your chosen degree is offered.

**What is a combined degree?**

A 4+1 combined program allows you to speed up the time it takes to earn both a bachelor's and a master's degree. See the ⊕ symbol on these pages for degrees that can be combined with others.

# GLOBAL PATHWAYS PROGRAM

The Global Pathways program will help you improve your English language, academic grades, and study skills, so you can progress to a bachelor’s or master’s degree. You also earn credits that will transfer to your Pace degree, and will help you to graduate on time.

### What will I study?

The program combines university-level English preparation with specialized academic coursework. The academic courses are credit-bearing and count toward your degree graduation requirements. In the graduate pathway, the curriculum is divided into three tracks. Your preferred degree determines your track:

- Pathways for Dyson College of Arts and Sciences / School of Education
- Pathways for Lubin School of Business
- Pathways for Seidenberg School of Computer Science and Information Systems

### This program might be right for you if you want:

- ✓ to improve your fluency and confidence in spoken and academic English
- ✓ extra time and support in adjusting to American university life
- ✓ guaranteed progression to a degree on successful completion
- ✓ to earn academic credits before starting full-time degree study — students completing the 3-semester undergraduate program with maximum transfer credits will progress into bachelor’s Year 2
- ✓ to enjoy social activities organized for international students.

\* Rates are for the 2022–23 academic year and are likely to increase each year; check online for updates. For visa purposes, students must show the availability of sufficient funds to cover one year of study. Estimated total expense is the combined cost of program tuition for two semesters, standard institution fees, health insurance, books and supplies, personal expenses, housing and meal plan at NYC Campus. At Westchester Campus housing and meal plan cost is \$2,000 lower.

† You may instead meet English proficiency requirements by submitting any of the following:

- Proof of Citizenship and secondary school graduation from Antigua, Australia, Bahamas, Barbuda, Belize, Bermuda, Botswana, British Virgin Islands, Cameroon, Cayman Islands, Canada, Christmas Island, Cocos, Cooks Islands, Dominica, Fiji, Ghana, Grenada, Grenadines, Guam, Guyana, Ireland, Jamaica, Keeling Island, Kiribati, Lesotho, Liberia, Marshall Islands, Mauritius, Micronesia, Montserrat, N. - Qualifying SAT or ACT score.
- IB English A1/A2 or B1/B2 result or AP English exam with a score of 4 or above.

‡ Students with existing undergraduate credit from another university can apply for transfer admission. Your transcript is assessed to determine how many credits are transferrable into a Pace degree (either after Global Pathways or when entering directly). A maximum of 96 credits can transfer from 4-year institutions, or 68 credits from 2-year institutions.

\* Rates are for the 2022–23 academic year and are likely to increase each year; check online for updates. For visa purposes, students must show the availability of sufficient funds to cover one year of study. Estimated total expense is the combined cost of program tuition for two semesters, standard institution fees, health insurance, books and supplies, personal expenses, housing and meal plan at NYC Campus. At Westchester Campus housing and meal plan cost is \$2,000 lower.

† You may instead meet English proficiency requirements by submitting any of the following:

- Proof of Citizenship and secondary school graduation from Antigua, Australia, Bahamas, Barbuda, Belize, Bermuda, Botswana, British Virgin Islands, Cameroon, Cayman Islands, Canada, Christmas Island, Cocos, Cooks Islands, Dominica, Fiji, Ghana, Grenada, Grenadines, Guam, Guyana, Ireland, Jamaica, Keeling Island, Kiribati, Lesotho, Liberia, Marshall Islands, Mauritius, Micronesia, Montserrat, N. Marianas, Nevis, New Zealand, Nigeria, Norfolk Island, Papua New Guinea, Sierra Leone, South Africa, St. Christopher, St. Helena, St. Kitts, St. Lucia, St. Vincent, Swaziland, Tanzania, Trinidad and Tobago, Uganda, United Kingdom, American Virgin Islands, Zambia.
- Qualifying SAT or ACT score.
- IB English A1/A2 or B1/B2 result or AP English exam with a score of 4 or above.

‡ Students with existing undergraduate credit from another university can apply for transfer admission. Your transcript is assessed to determine how many credits are transferrable into a Pace degree (either after Global Pathways or when entering directly). A maximum of 96 credits can transfer from 4-year institutions, or 68 credits from 2-year institutions.

1: You must earn a C grade or above and demonstrate sufficient English language development in an academic course to be able to transfer the credits to a degree.  
2: Testing into advanced level writing composition courses and studying elective courses will give you the opportunity to earn the maximum number of academic credits during Global Pathways.  
3: Previous study requirements and GRE/GMAT requirements are the same as for direct admission — see pages 50-53.

# HOW TO APPLY

Want to be a Pace University Go-Getter? Kaplan's global team of multilingual advisors will help you through the application process, offering expert support at every stage.

## Fill in the application form online

→ [kaplanpathways.com/apply-pace](https://kaplanpathways.com/apply-pace)

## Initial review of your application

When we receive your signed application form and supporting documents, we carefully review them and advise if you need to send more information.

## Submission to Pace

Once complete, we submit your application to the University for an admission decision.

→ See page 58 for more information on what to do next.

# APPLICATION CHECKLIST

A complete application to Pace includes:

## All applicants

- application form completed and signed
- proof of English language proficiency
- official transcripts for all high school and post-high school institutions attended\*
- recent bank statement or scholarship letter showing no less than the minimum funds required†
- passport copy (including visa if you are already in the USA)

## Bachelor's degree applicants

- SAT or ACT score (optional)
- minimum 500-word personal statement answering: Why you want to study at Pace; why you chose your major; your future plans; what makes you stand out
- 2 reference letters from professors/instructors or employers
- CV/résumé (optional)

## Undergraduate Global Pathways program

- Same as bachelor's applicants but only 1 reference letter

## Master's degree applicants

- GMAT or GRE score (if required)
- minimum 500-word personal statement answering: Why you are applying to your chosen degree; your expectations, outcomes, and goals; your professional/academic experiences and accomplishments related to the degree.
- 2 reference letters from professors/instructors or employers
- CV/résumé listing work/school history, languages, awards, certificates, volunteer work, and accomplishments

## Graduate Global Pathways program

- Same as master's applicants but only 1 reference letter (or 2 letters for progression to Dyson School of Arts and Sciences/ School of Education)

\* with supporting grade scale, translated into English if necessary

# ADMISSION: NEXT STEPS

Received an offer from Pace? Congratulations! Learn more about what you'll need to do before you start classes. We'll guide you through every step.

## 1. Admission to Pace

If your application is successful, you are offered admission to Pace University, either through a pathway program or directly to a degree. If you are admitted to the Global Pathways program and submit a higher English test score before classes begin, your offer may be changed to direct admission or shorter duration preparation.

## 2. Accept your offer

To secure your place at Pace University, pay a deposit before the I-20 deadline.

## 3. Receive I-20

After we receive the required financial documents from you, a visa eligibility document (Form I-20) is issued.

## 4. Apply for a visa

Allow enough time to receive your visa from the US embassy or consulate. Visa appointment and processing wait times vary greatly. Apply up to 120 days before the start date on your I-20. Your representative can help with the visa process. In the case of visa denial, your deposit will be refunded.

## 5. Pay program tuition

Once you have your visa, you must pay tuition before enrollment. Payment can be made by bank draft, bank transfer, or credit card. You can also use Flywire, a convenient online global payment system.

## 6. Get pre-arrival information

You are sent all the information you need, including your orientation schedule, housing information, and the forms you must submit before you arrive. It is important that you read and understand it all.

## 7. Arrive in the USA

Enroll in Pace University, then join your new classmates in the orientation program for a full introduction to university life.

## 8. Begin classes!

This brochure has been drafted in advance of the academic year to which it applies. Every effort has been made to ensure that the information is accurate at the time of publishing, but changes (for example to program content) are likely to occur given the interval between publishing and commencement of the program. It is therefore very important to check the website or contact us for any updates before you apply. Once you have applied, any change which impacts the terms and conditions of your offer or a significant part of your program will be communicated to you.
