# Scholarships available for degrees starting in Autumn 2026

Top-performing Kaplan students can qualify for valuable progression scholarships, awarded in partnership with our universities. These scholarships — worth up to £5,000 per year — help reduce tuition fees for eligible students progressing to a degree in Autumn 2026.

Most scholarships are awarded as tuition fee discounts in Year 1, with some offering continued support throughout your degree. You could access additional awards by achieving strong results or supporting university marketing — speak to your Kaplan representative to learn more.

**Pathway course tuition scholarships:** We also offer partial tuition scholarships to qualifying students for pathway courses in the UK. Scholarships are typically awarded to help make studying abroad more affordable, and are often based on academic achievement.
