

UK Progression Scholarships – 2026

Our best-performing students on their pathway courses can qualify for a progression scholarship to reduce their degree tuition fees.

These valuable scholarships are awarded jointly with our partner universities to students who successfully progress to a degree in Autumn 2026.

Scholarships available for degrees starting in Autumn 2026

As a Kaplan student, you could qualify for the following progression scholarships as part of your programme.

There are also other scholarships available, and you are encouraged to explore and apply for these during your pathway studies.

All scholarships are provided as fee discounts on your first year of degree study at university unless marked otherwise. Many of the scholarships available require students to meet certain future marketing commitments, such as testimonials, videos or photo shoots. Please ask your Kaplan representative for more information.

Pathway course tuition scholarships: We also offer partial tuition scholarships to qualifying students for pathway courses in the UK. These are awarded based on students' academic achievements in their previous studies, and make the cost of studying abroad more affordable.

University of Brighton	University of Brighton International College	https://kicpathways.formstack.com/forms/scholarship_application
University of Bristol	Kaplan International College London	Scholarships are available only to students with international fee status. Recipients must not receive additional funding that, when combined, exceeds the full cost of tuition fees, including external funding. Scholarships cannot be deferred between undergraduate intakes, meaning if a student defers their entry, the scholarship will not be carried forward. Additionally, recipients are expected to act as University ambassadors and may be invited to participate in events or promotional activities, limited to a maximum of 10 hours per semester without interfering with academic commitments. These activities may include attending a celebratory scholars' reception, completing surveys, providing testimonials, or joining focus groups.
