OF ALBERTA**

Become a world-changer at the University of Alberta

Year One Foundation Program progressing to a selection of undergraduate degrees

<p>Top 100 in the world</p> <p>QS World University Rankings 2025</p>	<p>#4 in Canada</p> <p>QS World University Rankings 2025</p>
<p>#3 in Canada for total research dollars</p> <p>Maclean's University Rankings 2024</p>	<p>Member of the U15 Group of Canadian research universities</p>
<p>97% employment rate for U of A graduates</p>	<p>Up to 20 months of paid work experience through Work Integrated Learning</p>

An ideal launchpad for your career

For over 100 years, University of Alberta (U of A) has been a world-changing Canadian university with a global influence. You'll get a great value education, with superb research facilities and career support available throughout your degree. No matter what program you study, you'll get hands-on work in your area of interest through internships or Work Integrated Learning, allowing you to earn while you learn!

Safe and affordable location

You'll live and study on North Campus, located near the heart of Edmonton — a vibrant, fast-growing urban centre. With a much lower cost of living compared to Toronto and Vancouver, plus the highest average salary in Canada, you'll get great value for money — all while living in one of the world's safest countries!

**Edmonton,

University of Alberta Year One Foundation Program

The Year One Foundation Program can help you study at the University of Alberta if you don't quite meet entry requirements for your degree program. You'll study on campus, with comprehensive academic support, so that when you successfully complete the program you'll be ready to enter the second year of undergraduate studies.

Tuition fees

Fees for the U of A Year One Foundation Program range from CAD\$34,000 to CAD\$45,000, depending on your chosen degree program.

* Your exact required academic grades will depend on your qualification and country.

Entry requirements

- IELTS of 6.0 (at least 5.5 in all skills)
- High school diploma*
- Academic transcripts

Join a community that makes an impact

CAD\$250B

annual revenue generated by alumni-founded companies

71%

of graduates working for organizations located within Alberta

75,000

profit and non-profit companies founded by alumni

922,000

jobs supported annually by alumni-founded companies

Ready to apply?

You can follow the steps below, with support from Kaplan at every stage

- Get in touch with an advisor to discuss your study options
- Send us your available academic transcripts
- Fill out and submit the application form
- If you have any English language proficiency documentation, please send that too
- Your application will be processed and we'll give you our admission decision
- If approved, you'll receive an offer letter confirming the deposit fee needed to secure your place
- After you've paid your deposit, you'll be issued a PAL letter and you can apply for a Study Permit
- If you have a conditional offer, make sure you meet all conditions
- You can now start your studies at the University of Alberta!
