Be where employers will find you

Top employers are attracted to Birmingham graduates thanks to the University's strong industry connections and focus on career success. With 300+ employer events each year, as well as subject-specific graduate recruitment fairs, you'll be in the right place for employers to find you.

Study at a Russell Group university

As a member of the Russell Group, the University of Birmingham produces world-leading research. Throughout your time at Birmingham, you'll have the chance to connect with people who bring about positive change in the world, and create a network that could lead you to great things.

Enjoy a multicultural student experience

Birmingham offers the best of both worlds: a traditional, red-brick campus just minutes from the centre of the UK's second largest city. With 10,000 international students and a multicultural city on your doorstep, you'll meet people from different backgrounds, and feel at home in a thriving, diverse community.
