Your path to university:

^{*} Please note: this course is taught at the University of Brighton's Grand Parade campus.

University of Brighton International College

Choose your undergraduate degree

Available degree options may change over time, so visit our online Degree Finderfor the most up-to-date list: kaplanpathways.com/brighton/ug-degrees

Key:

A: Foundation Certificate for Art, Design and Media

B: Foundation Certificate for Business, Tourism and Social Sciences

Bl: Foundation Certificate for Business, Law and Social Sciences

C: Foundation Certificate for Computing

S: Foundation Certificate for Science and Engineering

A1: International Year One in Architecture

B1: International Year One in Business

Internships: all pathway course subjects have the option of an integrated virtual internship as an extra term in the UK. This finishes in time for you to still start your university degree on schedule.

Your internship gives you the chance to gain valuable work experience and career skills, even before you progress to university.

> Your Foundation Certific	cate options for	degree entry in	September 2024	
5.5 overall with no less than 4.5 in any skill	2 terms	£17,320	January 2024 > August 2024	
5.0 overall with no less than 4.0 in any skill	2.5 terms	£19,260	October 2023 > August 2024	0.5 terms of Enhancement / Art and Design modules or 0.5 terms of Extended English and Skills modules
4.5 overall with no less than 4.0 in any skill	3 terms	£19,260	September 2023 > August 2024	1 term of Enhancement / Art and Design modules or 1 term of Extended English and Skills modules
> Your Foundation Certific	cate options for	degree entry in	September 2025	
4.0 overall with no less	3.5 terms	£22,470	July 2024 > August 2025	1.5 terms of Extended English and Skills modules
than 4.0 in any skill	4 terms	£25,660	June 2024 > August 2025	2 terms of Extended English and Skills modules

Please note: this course is taught at the University of Brighton's Grand Parade campus.

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts IELTS exceptions: selected degrees might have higher English language requirements for entry to the Foundation Certificate. See our online Degree Finder for details: kaplanpathways.com/brighton/ug-degrees

Please note: it is desirable for students applying for this course to submit an Art and Design portfolio.

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: *kaplanpathways.com/brighton/ug-degrees*

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- · Creative Practice and Portfolio
- English for Academic Purposes

You will also take 2 of the following modules that fit your degree and career goals†:

- Entrepreneurship
- Intermediate Digital Applications
- Mathematics
- · People, Culture and Society
- Visual Culture

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Extra support: for courses of over 2 terms, you will take additional Enhancement / Art and Design modules or Extended English and Skills modules (depending mainly on your IELTS score and academic background) before the modules to the left.

Students with UKVI IELTS 4.5-5.0: you'll take a 2.5 or 3-term course, following either the Enhancement / Art and Design route to develop your artistic skills and maximise your university preparation, or the Extended English and Skills route that focuses more on developing English language and academic skills.

Enhancement / Art and Design route

- Art, Design and Media
- Critical Reading, Writing and Reasoning for Higher Education

Plus up to 2 of these modules:

- Contemporary Art in Context
- Digital Applications
- Preparatory Mathematics
- Preparatory Statistics
- · UK Society and Culture

Extended English and Skills route

- · Art, Design and Media
- English for Academic Study 3
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.0: you'll take a 3.5 or 4-term course with Extended English and Skills modules to improve your English language and academic skills, and a specialist module to develop your artistic skills.

- Art, Design and Media
- Reading and Writing 2 and 3
- Speaking and Listening 2 and 3
- Study Skills Preparation

[†] For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

4.5 overall with no less than 4.0 in any skill	3 terms	£16,095	September 2023 > August 2024		1 term of Extended English and Skills modules

Note: changes to Foundation Certificate course options

This course is offered for degree entry in 2024 only. For 2025 degree entry, we offer a Foundantion Certificate for Business, Law and Social Sciences (see pages 10-11)

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts
IELTS exceptions: selected degrees might have higher English language requirements for entry to the Foundation Certificate.
See our online Degree Finder for details: kaplanpathways.com/brighton/ug-degrees

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/brighton/ug-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- English for Academic Purposes
- Extended Project

You will also take 2 or 3 of the following modules that fit your degree and career goals†:

- Contemporary Global Issues
- Entrepreneurship
- Historical Perspectives
- Intermediate Mathematics
- Logic and Critical Thinking
- Mathematics
- · People, Culture and Society
- Statistics

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree
 See the undergraduate module summaries section for more details.

Extra support: for courses of over 2 terms, you will take additional modules from a selection of Enhancement and Extended English and Skills options (depending mainly on your IELTS score) before the modules to the left.

Students with at least UKVI IELTS 5.5: you can take a 2.5 or 3-term course, typically with Enhancement modules to maximise your university preparation:

- Critical Reading, Writing and Reasoning for Higher Education
- Independent and Collaborative Study

Plus up to 2 of these modules:

- Digital Applications
- Preparatory Mathematics
- Preparatory Statistics
- UK Society and Culture

Students with less than UKVI IELTS 5.5: you will typically take Extended English and Skills modules to improve your English language and academic skills.

Students with UKVI IELTS 4.5–5.0 will typically take:

- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3

[†] For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts IELTS exceptions: selected degrees might have higher English language requirements for entry to the International Year One. See our online Degree Finder for details: kaplanpathways.com/brighton/ug-degrees

Please note: students applying for this course will need to present a portfolio as part of the admissions process.

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: *kaplanpathways.com/brighton/ug-degrees*

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- Architectural Design 1 and Communications
- Design 2
- English for Academic Purposes
- Humanities
- Technology Principles

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree
 See the undergraduate module summaries section for more details.

Extra support: for courses of over 2 terms, you will take additional modules from a selection of Enhancement and Extended English and Skills options (depending mainly on your IELTS score) before the modules to the left.

Students with at least UKVI IELTS 5.5: you can take a 2.5 or 3-term course, typically with Enhancement modules to maximise your university preparation:

- Art, Design and Media
- Critical Reading, Writing and Reasoning for Higher Education

Plus up to 2 of these modules:

- Contemporary Art in Context
- Digital Applications
- Preparatory Statistics
- · UK Society and Culture

Students with less than UKVI IELTS 5.5: you will typically take Extended English and Skills modules to improve your English language and academic skills.

Students with UKVI IELTS 4.5–5.0 will typically take:

- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.0 will typically take:

- English for Academic Study 2 and 3
- Independent and Collaborative Study
- Reading and Writing 2 and 3
- Speaking and Listening 2 and 3
- Study Skills Preparation

University of Brighton International College

Undergraduate module summaries

Undergraduate module summaries

Accounting and Finance for Managers

Apply techniques for financial reporting, financial analysis and management accounting in a business context.

Applied Projects

Apply key academic skills to your subject learning in other areas of your programme. Choose topics in line with your degree and career goals, and your own interests.

Architectural Design 1 and Communication

Investigate different approaches to analysing buildings and gain a deeper understanding of architectural design and essential conventions for professional practice.

Art, Design and Media

Explore a range of materials, workshop techniques, processes and practical skills, and begin to develop your research, interpretation and critical evaluation skills.

Biology

Learn about biological systems and organisms, as well as key lab processes.

Chemistry

Gain an understanding of chemical reactions, fundamental particles and the periodic table.

Contemporary Art in Context

Review the key movements and practitioners in the 20th century within your field, considering trends within historical, political and cultural contexts.

Contemporary Global Issues

Explore the big issues facing humanity in the 21st century, and critically evaluate their causes and effects.

Creative Practice and Portfolio

Research the work of selected practitioners in your field, responding to and evaluating their work, in your own illustrative portfolio.

Critical Reading, Writing and Reasoning for Higher Education

Enhance your ability to read and understand complex ideas in English, and to compose convincing written arguments.

Design 2

Gain an understanding of a range of architectural aspects, develop design strategies, and produce a design for a small or medium-sized building.

Digital Applications

Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

Economics

Gain an understanding of macro and micro economics, and explore current trends and issues in the field.

English for Academic Purposes

Develop your English to the level you need for university study, and to really get involved in academic discussions.

English for Academic Study 2

Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Entrepreneurship

Familiarise yourself with concepts of creativity, entrepreneurship and innovation, and how to apply them in business.

Entrepreneurship and Business Development

Develop practical business skills through team-based planning and by exploring the ideas of enterprise and entrepreneurship.

Extended Project

Plan, carry out and report a project, choosing a topic that matches your degree and career goals, and personal interests.

Historical Perspectives

Gain an overview of the historical context of your chosen field of study and develop an awareness of changing focus over time.

Humanities

Explore the history and theory of architecture, including in socio-political, environmental and cultural contexts require for professional success.

Independent and Collaborative Study

Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

Information Technology

Discover the key concepts of computer science, including data representation and programming languages.

Intermediate Digital Applications

Develop skills in problem-solving and creative practice using a range of software packages relevant to your field of study.

Intermediate Mathematics

Expand your knowledge of mathematical concepts including algebra, geometry, problem-solving, trigonometry and vectors.

Logic and Critical Thinking

Explore concepts, history and skills relating to logic and critical thinking, and how they apply in real-world contexts.

Management Accounting and Financial Analysis

Explore management and financial accounting issues, as well as process costing, pricing and profitability analysis.

Marketing in the Operational Context

Gain an understanding of international business processes, and the effects of marketing activities on organisations.

Mathematics

Develop your mathematical skill set in areas such as algebra, decision maths, probabilities and statistics.

Organisational Behaviour

Explore the fundamentals of organisational behaviour, and trends in organisational environments, structures and designs.

People, Culture and Society

Learn about the history, theories and issues that relate to human culture and society around the world.

Physics

Gain an understanding of areas such as astrophysics, electromagnetism, mechanics and thermodynamics.

Preparatory Mathematics

Develop your numeracy skills, including algebra, geometry and graphs.

Preparatory Science

Gain an introduction to core scientific knowledge and the subject-specific language required to study the sciences.

Preparatory Statistics

Build on your knowledge of using statistics, including the use of data to illustrate facts and support theories.

Quantitative Methods for Business

Learn about quantitative techniques, and gain analytical and evaluative skills that are needed in the modern business world.

Reading and Writing 2

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

Reading and Writing 3

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

Speaking and Listening 2

Practise listening and speaking so that you are better prepared for academic debate and discussion.

Speaking and Listening 3

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

Statistics

Learn basic algebra, as well as the skills needed to analyse and apply statistics in a range of ways.

Technology Principles

Study principles of various technologies applied in the construction industry and by built environment professionals.

UK Society and Culture

Learn more about the culture and society of the UK, and how it differs from others.

Visual Culture

Using an annotated visual research journal, you will evaluate key practitioners and movements and their historical, cultural and political contexts.

Undergraduate module summaries

Notes

Online internship

While you're at the College in the UK, you'll take an online work placement as your final term if you choose a pathway course with integrated internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience at one of 3,500+ companies around the world.

You will choose one of 18 career fields on your internship, based on your chosen progression degree. This will all help you develop important skills, practise your English and give you some great experience to add to your CV.

Find out more on our website:

> kaplanpathways.com/internship

Personal development activities (all courses) Culture and activities

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Employability and digital skills

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social networking

Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career.

4.5 overall with no less than 4.0 in any skill	4 terms	£26,400	June 2024 > August 2025	2 terms of Extended English and Skills modules	

Please note: this course is taught at the University of Brighton's Grand Parade campus.

Please note: for all course options apart from the 3-term course, you must have a relevant undergraduate degree to apply. It is also desirable to have an Art and Design portfolio. Students on the 3-term course do not need a relevant degree, and will study extra modules to develop English language and artistic skills.

Academic entry requirements: for all course options above, you need to have completed at least 3 years of higher education. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/brighton/pg-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- Art, Design and Media Research Project
- Creative Brief and Portfolio
- English for Academic Purposes

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Extra support: for courses of over 2 terms, you will also take Extended English and Skills modules before the modules to the left.

Students with UKVI IELTS 5.0 will typically take the following as part of a 2.5 or 3-term course:

- Art, Design and Media
- Contemporary Art in Context OR Digital Applications
- English for Academic Study 3
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.5 will typically take the following as part of a 3.5 or 4-term course:

- Art, Design and Media
- Contemporary Art in Context OR Digital Applications
- English for Academic Study 2 and 3
- Reading and Writing 2 and 3
- Speaking and Listening 2 and 3
- Study Skills Preparation

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts

Academic entry requirements: for all course options above, you need to have completed at least 3 years of higher education in a suitable subject. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/brighton/pg-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- English for Academic Purposes
- · Research Project

You will also take 2 of the following modules to prepare for postgraduate study[†]:

- Advanced Statistics
- Engineering, Science and Society

Personal development activities: during your course, you'll also have activities to build practical, digital and employability skills.

Learn more about modules: you'll find module summaries later in this booklet.

Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- · build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree See the postgraduate module summaries section for more details.

Extra support: for courses of over 2 terms, you will also take Extended English and Skills modules before the modules to the left.

Students with UKVI IELTS 5.0 will typically take the following as part of a 2.5 or 3-term course:

- English for Academic Study 3
- Independent and Collaborative Study
- Reading and Writing 3
- Speaking and Listening 3

Students with UKVI IELTS 4.5 will typically take the following as part of a 3.5 or 4-term course:

- English for Academic Study 2 and 3
- Independent and Collaborative Study
- Reading and Writing 2 and 3
- Speaking and Listening 2 and 3
- Study Skills Preparation

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

IELTS exceptions: selected degrees might have higher English language requirements for entry to the Pre-Master's. See our online Degree Finder for details: kaplanpathways.com/brighton/pg-degrees

University of Brighton International College

Postgraduate module summaries

Postgraduate module summaries

Advanced Statistics

Critique research data and apply the standard statistical tools for the analysis of research quality.

Art, Design and Media

Explore a range of materials, techniques, and processes, and develop your research, interpretation and critical evaluation skills.

Art, Design and Media Research Project

Evaluate the theoretical and reflective components that will complement the practical work you produce in the Creative Brief and Portfolio module.

Contemporary Art in Context

Review the key movements and practitioners in the 20th century within your field, considering trends within historical, political and cultural contexts.

Creative Brief & Portfolio

Create the practical components which complements the theoretical, historical and reflective work undertaken in your individual Research Project for Art, Design and Media module.

Digital Applications

Develop your digital skill set, helping you use digital tools to support academic study, including using and citing digital sources.

Engineering, Science and Society

Gain an awareness of ethical issues and debates surrounding research and innovation in the sciences.

English for Academic Purposes

Develop your English to the level you need for university study, and to really get involved in academic discussions.

English for Academic Study 2

Improve your English grammar and vocabulary in order to communicate in an academic environment.

English for Academic Study 3

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

Independent and Collaborative Study

Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

Organisational Management

To provide you with a grounding in core concepts in business studies to facilitate your postgraduate studies in UK higher education.

Reading and Writing 2

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

Reading and Writing 3

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

Research Project

Plan, execute and report a comprehensive research project; you'll choose a research topic based on your degree and career goals, and personal interests.

Speaking and Listening 2

Practise listening and speaking so that you are better prepared for academic debate and discussion.

Speaking and Listening 3

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

Strategic Management

Explore key concepts of strategic management, and evaluate their impact on businesses and their operations.

Online internship

While you're at the College in the UK, you'll take an online work placement as your final term if you choose a pathway course with integrated internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience at one of 3,500+ companies around the world.

You will choose one of 18 career fields on your internship, based on your chosen progression degree. This will all help you develop important skills, practise your English and give you some great experience to add to your CV.

Personal development activities (all courses)

Culture and activities

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

Employability and digital skills

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

Social networking

Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career.
