Be a changemaker

The University of Oregon (UO) educates future leaders. From the founders of global companies to respected politicians, the University has a network of alumni making positive changes all over the world. In fact, at UO undergraduates can participate in world-leading research, so you'll be able to start changing the world right away!

The ideal environment

At UO, you'll find an inspiring environment where you'll feel at home in the close community of Oregon Ducks. You'll also be surrounded by nature in scenic Eugene, a popular college town with lots of facilities for students, where you can enjoy an active outdoor lifestyle with opportunities for hiking, skiing and visiting the beach.

Cost of attendance

UO guarantees a fixed tuition rate for up to 5 years of undergraduate study. Other costs are estimated, and will vary depending on personal spending habits and housing and meal plan choices.
