<p>#2 comprehensive university in Canada <small>Maclean's University Rankings 2025</small></p>	<p>Canada ranked #5 in the world for best quality of life <small>U.S. News and World Report 2024</small></p>
<p>Large co-op program providing up to 16 months' paid work experience</p>	<p>Safe, inclusive, and very welcoming community</p>
<p>17% of the student community is international, representing 110 countries</p>	<p>#5 in the world for Climate Action <small>THE University Impact Rankings 2024</small></p>

Study in the world's best small city

The capital of British Columbia, Victoria is ranked as one of the world's best small cities (Condé Nast Traveler, 2024). Victoria is full of charming architecture and world-famous gardens. Just 15-minutes from downtown Victoria is the park-like UVic campus with modern housing, academic and recreation facilities, and nature trails through old-growth rainforests. The campus is also a short walk from the nearest beach.

Unique natural location with the mildest climate in Canada

Vancouver: 30-minute flight / 1.5-hour ferry

Seattle: 50-minute flight / 3-hour ferry

Bachelor's programs at UVic

Direct admission to 80+ bachelor's programs, conditional admission and preparation programs for lower English levels. Engineering students complete 16-months of paid co-op and business students complete 12-months as part of their programs.
