/English Language Centre at UVic

There are different paths for gaining admission to the University of Victoria (UVic).

If you meet UVic's academic requirements but not the English proficiency requirement for direct admission, the UVic English Language Centre offers you alternative entry options to satisfy the English requirement and start pursuing your undergraduate degree at UVic.

### English Language Centre

Established in 1970, the UVic English Language Centre (ELC) is one of the most respected and largest on-campus English schools in Canada. Each year, the ELC offers award-winning English language programs to 2,000+ students from over 30 countries. Our dedicated teachers, staff and cultural assistants work together to create a supportive, challenging and fun environment for students. We are centrally located on UVic's beautiful campus and all ELC students have access to student services and numerous facilities, allowing them to become part of the exciting UVic community.

# UVIC ENTRY OPTIONS FOR KAPLAN STUDENTS
