### UVic Co-op facts

Undergraduate students earn an average of **CAD\$3,287 per month** during work terms

Graduate students earn an average of **CAD\$4,028 per month** during work terms

**86%** of Co-op students are hired within three months of graduating

**300+** Co-op options offered to UVic students

**71%** of all eligible undergraduate students do at least one Co-op work term

Most Co-op students receive a job offer before they graduate

# Jump start your career at UVic

At UVic, you can start building a successful future right away! Through highly effective career services and programs like UVic's Co-op and Canada's Post-Graduation Work Permit, you'll have the ideal springboard for your career.

## Get paid work experience while studying

Co-operative education, or "Co-op", is a program that supplements your studies with paid work placements while you earn your degree. You can get up to 16 months of paid employment\* in your area of focus. Students who participate in Co-op earn an average of CAD \$50,000 through the duration of their program. You'll be able to help fund your studies, test-drive different careers, and gain local work experience that makes you attractive to Canadian employers!

## When can you take Co-op terms?

Co-op is optional in most bachelor's and master's programs, and a required part of the curriculum for some disciplines. A typical\*\* undergraduate Co-op with four work terms might be structured like this:

	SEP-DEC	JAN-APR	MAY-AUG
YEAR 1	STUDY	STUDY	FREE SUMMER
YEAR 2	STUDY	STUDY	WORK 4 MONTHS EARN ≈ \$12,600
YEAR 3	STUDY	WORK 4 MONTHS EARN ≈ \$12,600	STUDY
YEAR 4	WORK 4 MONTHS EARN ≈ \$12,600	STUDY	WORK 4 MONTHS EARN ≈ \$12,600
YEAR 5	STUDY / GRADUATE		

\* Please note that enrolling in the Co-op program will add some additional time to your degree.

\*\* This is just a sample — UVic Co-op coordinators help each student create a schedule that works best for them.

## Work in Canada for up to three years

After completing your degree program, you may be eligible to apply for a Post-Graduation Work Permit (PGWP) that allows you to live and work in Canada for up to three years. With international student-friendly programs like PGWP, it's no surprise that Canada ranks as the #1 country for starting a career (U.S. News & World Report 2023).

94% of UVic students graduate with some sort of experiential learning

"Studying in Canada and obtaining a Post-Graduation Work Permit is a once-in-a-lifetime opportunity. You get to do whatever kind of job you feel like and move to bigger cities like Vancouver, Montreal, or Toronto. If you're still doing your degree and thinking about getting your PGWP, take it! You carry the experience from the PGWP for the rest of your life, and it looks really, really good on your CV!"

**Dimas from Indonesia**

# Canada: where international students thrive

Known for its affordable education, welcoming people, safety and excellent quality of life, Canada is an ideal place to learn and grow as an international student. It's one of the most diverse, tolerant countries in the world, where you'll enjoy the same rights and freedoms that protect all Canadian citizens.

## A glimpse of Victoria and Vancouver Island

You'll live in Victoria — the capital of British Columbia — ranked the #1 best small city in the world (Condé Nast Traveller Readers' Choice Awards 2023). Located on stunning Vancouver Island, halfway between the major cities of Vancouver (on mainland Canada) and Seattle (just across the US border), it's a nature-lover's paradise. Along with rugged coastline, beautiful gardens and incredible wildlife, Victoria is a harbour city boasting the sunniest climate of any major city in British Columbia, attracting 4 million visitors every year.

## British Columbia's sunniest major city

- 22°C — Average high summer temperature
- 8°C — Average high winter temperature
- 64% less rainfall than nearby Vancouver and 42% less rainfall than nearby Seattle

"I visited Victoria for the first time 10 years ago as a tourist, and I fell in love with the city. The location is beautiful, and also has a good proximity to Vancouver, which is a booming market."

# Get involved in UVic's campus culture

Campus facilities, green space and living areas enrich UVic's safe and welcoming community.

## UVic's eco-friendly campus

UVic is a world-leading university for sustainability, with its walkable campus having carbon-neutral status since 2010. Studying here, you'll be making a difference, along with 4,000+ international students from over 110 countries. UVic's picturesque campus is also designed to look and feel just like a park. Modern facilities are spaced among the island's old-growth rainforest and nature trails.

## Dedicated international student advising

The International Centre for Students supports you throughout your journey at UVic. Its team provides international services, information and programs for undergraduate and graduate students. They are there to help you from pre-arrival all the way to degree completion — your go-to resource for anything related to your immigration status, study permit or work permits.

## UVic Global Community

The UVic Global Community initiative is dedicated to supporting the international student presence on campus. Through a range of programs, the Global Community creates space to come together and celebrate diversity, build intercultural connections, and foster a globally minded campus. Some of these programs include:

- Conversation Partners program
- Mentorship program
- Holiday dinner program
- Campus events and celebrations

## Make friends in on-campus housing

## Don't know what to study?

If you aren't sure about what to study, don't worry! It's normal for UVic students to spend their first year on campus exploring academic disciplines to find a major that's a good fit. If you apply to any program in the faculties of Humanities, Science or Social Sciences, you'll be "undeclared" in your first year and have the opportunity to choose a major later.

## Want to study Law?

UVic has pre-law advising for undergraduates who are interested in pursuing law at the graduate level. Students can choose any major for the first three years. UVic Law admits students from a wide variety of programs — everything from fine arts to computer engineering! Admission is competitive, with both GPA and LSAT scores evaluated.

## Degree preparation programs

### UVic Pathway Program ◆

This is a specialized degree preparation program to help you to meet UVic's English language requirement while completing the first year of a UVic bachelor's major. Pathway students take a combination of English language and UVic credit courses (available majors indicated with ☺).

### UAP (University Admission Preparation)

A dedicated 4- or 12-week program for conditionally admitted students who require help meeting the English language requirement — available before many UVic bachelor's and master's programs.

### ELPI (Intensive English Language Program)

A multi-level program tailored for students from the "upper beginner" English proficiency level, which leads into either the UVic Pathway Program or the UAP program.

To be considered for admission at UVic, you must meet the University's standard entry requirements. Get a more complete picture of what you need to know before you apply.

## Do I qualify for degree admission?

You may qualify for degree admission to UVic by meeting these requirements.

### Admission requirements for undergraduate programs

#### FIRST-YEAR ADMISSION

- High school diploma or equivalent. Credential and minimum grade requirements vary by country and education system.
- English language proficiency: minimum IELTS 6.5 (no subscore below 6.0) / TOEFL minimum 90 (no section less than 20) or equivalent\*
- Meet any subject or grade requirements specific to your program of study\*\*

#### TRANSFER ADMISSION

- One full year or more of post-secondary coursework with a B average (or equivalent)
- English language proficiency and program-specific requirements, as per first-year admission
- Up to 60 credits with minimum grade "C" from another higher education institution or post-secondary courses
- UVic's evaluation of your transferable credits will determine if you are placed into Year 1, 2 or 3 of a bachelor's program.

### Admission requirements for graduate programs

- 4-year bachelor's degree (or equivalent) in a related subject from a recognized institution
- Equivalent of a minimum "B" average or GPA 3.0 (on a 4.0 scale) over the last two years of your degree
- English language proficiency: minimum IELTS 6.5 (no subscore below 6.0) / TOEFL minimum 90 (no section less than 20) or equivalent\*
- Meet any application or grade requirements specific to your program of study\*\*

\* English language proficiency can be demonstrated in other ways, such as academic studies in a designated English-speaking country or at a recognized institution at which the language of instruction is English. For more information, see [uvic.ca/grad/enpr](http://uvic.ca/grad/enpr)

\*\* Requirements will vary by program and country of education. Find your degree at [uvic.ca/programs](http://uvic.ca/programs) or [uvic.ca/graduate](http://uvic.ca/graduate) to check the detailed requirements.

## Don't yet meet the English requirement?

Do you meet UVic's academic requirements but still need to improve your English language skills? If so, you may be able to reach the required language level to start your degree through the UVic Pathway Program, University Admission Preparation (UAP) and/or Intensive English Language Program (ELPI).

### UAP entry requirements

- IELTS 6.0 (no subscore below 5.5) or TOEFL 79 (no subscore below 17)
- Conditional admission to a bachelor's program in the faculties of Engineering and Computer Science, Science, Social Sciences, or Humanities, or a BA in Art History and Visual Studies, or most master's programs

### ELPI entry requirements

- IELTS 5.5 or TOEFL 71
- Preliminary admission to a bachelor's program in the faculties of Humanities, Science or Social Sciences

### UVic Pathway Program entry requirements

- IELTS 5.5 (with no component less than 5.0) or TOEFL 71 (with no component less than 15)
- Apply for admission to a bachelor's program in one of two streams: Social Sciences (which includes the option to progress into the BCom program) or Science, Engineering and Computer Science

# How to apply

Kaplan will help you explore your options and support you through the application and admission process.

## 8 steps to UVic

- 1. Submit your application to Kaplan**  
Complete your UVic application and upload copies of the supporting documents noted. See the checklist on the left.
- 2. Application review**  
Kaplan will check your eligibility for your preferred program and notify you of any missing documents. Once ready, we will submit your application package to UVic.
- 3. Complete your application with UVic**  
Set up your "Netlink ID" (UVic will email instructions) and access the UVic application portal. Complete outstanding tasks, such as providing additional documents, then wait for notification of UVic's admission decision.
- 4. Accept your offer and apply for a study permit**  
Accept UVic's offer of admission and pay an acceptance deposit of CAD\$750 (undergraduate applicants only) before the deadline, then complete and submit your study permit application. Government of Canada processing time can take up to three months, so don't delay!
- 5. Apply for housing**  
Apply for on-campus housing before the May deadlines (see facing page) if you are starting in September. Graduates and transfer students may need to find off-campus accommodation.
- 6. Submit your final grades**  
Send your official transcripts to UVic by the specified deadline. Check the transcript requirements in your UVic application portal.
- 7. Take care of pre-arrival tasks**  
Monitor your application portal checklist for other tasks, such as registering for courses and paying your remaining balance.
- 8. Start at UVic!**  
Make travel arrangements to arrive in Victoria in time for UVic's International Student Welcome. Fun and informative orientation events will help connect you to the campus community.

## Application document checklist
