Top-class UK education

Part of the Russell Group, the University of York is a prestigious research-focused university with a strong international student community, offering outstanding teaching and facilities in a beautiful historic city.

Excellent career development

Along with learning transferrable skills during your degree, the University's York Futures programme will support your professional development.

City location with friendly people

The University's scenic parkland campus is within walking distance of York's bustling city centre. Famous for its rich history, while also having a modern arts, culture and entertainment scene, York was voted the UK's friendliest city in 2023.^B The city is student friendly, and with a population of over 200,000, it's big enough to feel vibrant and small enough to feel like home.
