kaplanpathways.com/york/ipc-ug-degrees

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start > Course end	Add-ons	Extra support
> Your Foundation Certificate options for degree entry in September 2025					
5.5 overall with no less than 4.5 in any skill†	2 terms	£21,490	September 2024 > May 2025	i	
			January 2025 > August 2025		
5.0 overall with no less than 4.5 in any skill†	2.5 terms	£22,950	October 2024 > August 2025		0.5 terms of Academic Skills and English language modules
5.0 overall with no less than 4.0 in any skill†	3 terms	£22,950	September 2024 > August 2025		1 term of Academic Skills and English language modules

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: [kaplanpathways.com/uk/ielts/](https://www.kaplanpathways.com/uk/ielts/)

† Note: courses leading to selected degrees listed under Business and Finance or Marketing and Media have higher IELTS requirements:
2 terms and 3 terms with internship: 5.5 overall with no less than 5.0 in any skill.
2.5 terms: 5.0 overall with no less than 5.0 in Writing and 4.5 in all other skills.
3 terms: 5.0 overall with no less than 4.5 in any skill.

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: [kaplanpathways.com/york/ipc-ug-degrees](https://www.kaplanpathways.com/york/ipc-ug-degrees)

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Common modules taken by all students:

- Business and Management
- Introduction to Economics
- Language and Study Skills 2
- Statistics

Extra support: for courses longer than 2 terms with no internship, you'll also take Academic Skills and English language modules to gain extra university preparation:

- Contemporary Global Issues
- Foundation Mathematics
- Language and Study Skills 1

Learn more about modules: you'll find module summaries later in this booklet.

i Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree

See the undergraduate module summaries section for more details.

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start > Course end	Add-ons	Extra support
> Your Foundation Certificate options for degree entry in September 2025					
5.5 overall with no less than 4.5 in any skill	2 terms	£23,460	September 2024 > May 2025		
			January 2025 > August 2025		
5.0 overall with no less than 4.5 in any skill	2.5 terms	£24,960	October 2024 > August 2025		0.5 terms of Academic Skills and English language modules

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree

See the undergraduate module summaries section for more details.

Study topical issues in media such as TV, film, games and the internet, and analyse media trends, issues and technologies.

Learn the mathematical skills needed for the study of Science and Economics, including the topics of calculus, matrices, vectors, algebra and trigonometry.

Understand the key concepts, structures and processes within biology.

Explore the basics of national and international business environments, and understand the role of management and strategy in business.

Study physical, organic and inorganic chemistry, explore patterns in the periodic table, and learn to describe chemical reactions.

Explore topical issues and their historical origins, and study the short and long-term implications of a variety of current affairs.

Learn about key scientific concepts and principles, and explore the most important topics in biology, chemistry and physics.

The electronics module is designed to provide you with an introduction to the behaviour of electronic components and their use in circuits.

Understand core concepts of mathematics, and learn algebra, calculus and trigonometry.

Learn about micro and macro economics, and study aggregate economic behaviour and how an open economy works.

Learn about English law, and understand how to structure solutions to legal problems.

Learn how to speak, read, write and listen in an academic context, and improve your vocabulary, grammar and pronunciation.

Develop academic English knowledge, and apply academic style to written and spoken work.

Learn the mathematics skills
needed in life science studies.

Design and programme a robot, and design and build simple electronic circuits.

Explore the fundamentals of politics and sociology, and consider the relationship between the state, society and the individual.

Learn the skills needed to analyse and apply statistics in a range of ways

While you're at the College in the UK, you'll take an online work placement as your final term if you choose a pathway course with integrated internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience at one of 3,500+ companies around the world.

You will choose one of 18 career fields on your internship, based on your chosen progression degree. This will all help you develop important skills, practise your English and give you some great experience to add to your CV.

Note:

1: 2-year degree

Notes

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Pre-Master's:
Business with Law

Minimum English level: UKVI IELTS score*	Course length	Course tuition	Course start > Course end	Add-ons	Extra support
> Your Pre-Master's options for degree entry in September 2025					
5.5 overall with no less than 5.5 in any skill	2 terms	£24,490	September 2024 > May 2025	i	
			January 2025 > August 2025		
5.5 overall with no less than 5.0 in any skill†	2.5 terms	£29,160	October 2024 > August 2025		0.5 terms of Academic Skills and English language modules
5.0 overall with no less than 4.5 in any skill‡	3 terms	£29,160	September 2024 > August 2025		1 term of Academic Skills and English language modules

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts/

† Please note: courses leading to selected degrees listed under Business and Finance, Law, or Marketing and Media have slightly higher IELTS requirements:
2.5 terms: 5.5 with at least 5.5 in writing and 5.0 in all other skills.
3 terms without internship: 5.0 overall with at least 5.0 in writing and 4.5 in all other skills.

Academic entry requirements: for all course options above, you need to have completed at least 3 years of higher education in a suitable subject. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/york/ipc-pg-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

Pre-Master's:
Business with Law

Common modules taken by all students:

- International Business with Law
- Introduction to Management
- Language and Study Skills
- Research Skills

Extra support for 2.5-term courses: you'll also take a 5-week English language module to give you additional preparation for university:

- English for Academic Purposes

Extra support for 3-term courses with no internship: you'll also take an Entry to Pre-Masters module to give you additional preparation for university:

- English for Academic Purposes

Learn more about modules: you'll find module summaries later in this booklet.

i Optional integrated online internship

For selected course options and just a small extra fee (maximum £1350), you can take an internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree

See the postgraduate module summaries section for more details.
