- University of Victoria is a **top 400 university in the world** and **#16 university in Canada**.

Shanghai Global Ranking of Academic Subjects 2023

- Arizona State University has **21 subjects ranked in the top 100** in the world:

Natural Sciences

- geography (#31)
- earth sciences (top 75)
- ecology (top 75)
- chemistry (top 100)

Engineering

- environmental science and engineering (#15)
- transportation science and technology (#31)
- electrical engineering (top 75)
- telecommunication engineering (top 75)
- computer science and engineering (top 100)

Social Sciences

- public administration (#6)
- management (#9)
- business administration (#12)
- education (#21)
- economics (#23)
- finance (#26)
- library and info science (#26)
- psychology (#40)
- law (#49)
- political science (top 75)
- sociology (top 75)
- communication (top 100)

- University of Connecticut has **8 subjects ranked in the top 100** in the world:

Natural Sciences

- remote sensing (top 75)
- ecology (top 100)

Engineering

- materials science and engineering (top 100)

Social Sciences

- communication (#48)
- education (top 100)
- psychology (top 100)
- finance (top 100)
- library and info science (top 100)
- business administration (top 200)

- University of Victoria has **4 subjects ranked in the top 150** in the world:

Natural Sciences

- oceanology (top 100)
- earth sciences (top 150)
- atmospheric science (top 150)

Engineering

- electrical engineering (top 150)

Social Sciences

- business administration (top 300)
